Item 1.01. Entry into a Material Definitive Agreement

Merger Agreement

On June 5, 2019, Elastic N.V., a Dutch public limited company (*naamloze vennootschap*) (“Elastic”), Avengers Acquisition Corp., a Delaware corporation and direct wholly-owned subsidiary of Acquiror (“Merger Sub”), Endgame, Inc., a Delaware corporation (“Endgame”), and Shareholder Representative Services LLC, a Colorado limited liability company, solely in its capacity as the representative, agent and attorney-in-fact of the securityholders of Endgame (the “Securityholder Representative”), entered into an Agreement and Plan of Reorganization (the “Merger Agreement”), pursuant to which, subject to the terms and conditions thereof, Merger Sub will merge with and into Endgame (the “Merger”) whereupon the separate corporate existence of Merger Sub shall cease and Endgame shall continue as the surviving corporation of the Merger as a direct wholly-owned subsidiary of Elastic.

Pursuant to the terms of the Merger Agreement, Elastic will acquire Endgame for a total purchase price of \$234 million, subject to customary adjustments, including the establishment of an indemnity escrow fund. Elastic will pay the purchase price through (i) the issuance of ordinary shares, par value €0.01 per share, of Elastic (the “Elastic Ordinary Shares”), (ii) the repayment of Endgame’s outstanding indebtedness (approximately \$14 million as of the date hereof), (iii) the assumption of Endgame’s outstanding options, and (iv) a cash deposit to fund an expense fund for the fees and expenses of the Securityholder Representative. Each share of Elastic Ordinary Shares to be issued in the Merger will be valued at an amount equal to equal to the volume weighted average price per share rounded to four decimal places (with amounts 0.00005 and above rounded up) of the Elastic Ordinary Shares on the New York Stock Exchange for the twenty (20) consecutive trading days ending with the complete trading day ending five (5) trading days prior to the date upon which the Merger is consummated, provided that in no event shall an Elastic Ordinary Share be valued at more than \$98.55 per share or less than \$68.49 per share. No fractional shares of Elastic Ordinary Shares will be issued in the Merger, and holders of Endgame will not receive any consideration in lieu of any such fractional shares. Elastic Ordinary Shares to be issued in the Merger will be listed on the New York Stock Exchange.

The Merger Agreement contains customary representations and warranties of each of the parties as well as customary covenants and agreements, including with respect to the operation of the business of Endgame between signing and closing. The Merger Agreement also contains indemnification provisions whereby the stockholders, warrant holders, and certain employees of Endgame will indemnify Elastic and certain other parties for certain losses arising out of, among other things, inaccuracies in, or breaches of, the representations, warranties and covenants of Endgame and pre-closing taxes of Endgame, subject to certain caps, thresholds, and other limitations. To support such indemnification obligations, Elastic and the other indemnified parties will be able to make claims against an indemnity escrow fund for a period of 18 months following the consummation of the Merger.

In connection with the transaction, certain executives of Endgame have accepted offers of employment made by a subsidiary of Elastic to continue with such subsidiary following the closing of the Merger.

Elastic and Endgame intend, for U.S. federal income tax purposes, that the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986 and Treasury Regulations Sections 1.368-2(g) and 1.368-3, and the Merger Agreement was adopted as a plan of reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986 and Treasury Regulations Sections 1.368-2(g) and 1.368-3.

The respective boards of directors of Elastic and Endgame have approved the Merger Agreement, and the board of directors of Endgame has agreed to recommend that Endgame’s stockholders adopt the Merger Agreement. In addition, the board of directors of Elastic has agreed to recommend that Elastic’s shareholders approve the Merger Agreement, the Merger and the other transactions contemplated thereby.

Consummation of the Merger is subject to customary closing conditions, including, among other things, the absence of certain legal impediments, the expiration or termination of any applicable required waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, the clearance by the Committee on Foreign Investment in the United States (“CFIUS”), the entry into an agreement with the Defense Security Service (“DSS”), the effectiveness of certain filings with the Securities and Exchange Commission (“SEC”), and approvals by Endgame stockholders and Elastic shareholders.

The Merger Agreement contains certain customary termination rights for both Elastic and Endgame and further provides that Elastic must pay Endgame a termination fee of \$3.51 million upon termination of the Merger Agreement under certain specified circumstances.

Under the terms of the Merger Agreement, Endgame is not permitted to solicit, initiate or knowingly facilitate or encourage any alternative transaction proposals from third parties or to engage in discussions or negotiations with third parties regarding any alternative transaction proposals.

The Merger Agreement has been attached as an exhibit to this Current Report on Form 8-K in order to provide investors and security holders with information regarding its terms. It is not intended to provide any other information about the parties thereto or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties thereto, may be subject to limitations agreed upon by such parties, including being qualified by documents filed with the SEC or by confidential disclosures made for the purposes of allocating contractual risk between the parties thereto instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and security holders. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their businesses. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of their subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Elastic's public disclosures. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Elastic that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q, Forms 8-K, proxy statements and other documents that Elastic has filed, or will file, with the SEC.

(vii) No Further Ownership Rights in Company Securities. The consideration paid in respect of the surrender for exchange of Company Securities in accordance with the terms of this Agreement shall be deemed to be full satisfaction of all rights pertaining to such Company Securities. Following the Effective Time, there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Capital Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Company Stock Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article I.

(viii) No Liability. Notwithstanding anything to the contrary in this Section 2.3, none of Acquiror, the Exchange Agent, the Surviving Corporation, nor any of their respective Representatives shall be liable to any Person for any amount paid or surrendered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(ix) Acquiror Ordinary Shares. (iii) As soon as reasonably practicable following the Closing, Acquiror shall issue to the Escrow Agent the Indemnity Escrow Shares, which shall be held in trust, for the account of the Indemnifying Parties, as

an escrow fund to be governed by the terms set forth in this Agreement and the Escrow Agreement (and together with all dividends and distributions and other income thereon, the “Indemnity Escrow Fund”), and, upon issuance to the Escrow Agent, Acquiror shall be deemed to have contributed to the Indemnity Escrow Fund, on behalf of each Indemnifying Party, each Indemnifying Party’s Escrow Pro Rata Portion of the Indemnity Escrow Shares. The Indemnity Escrow Fund shall be available to compensate the Indemnified Parties for any claims by such parties for any Losses suffered or incurred by them and for which they are entitled to recovery under this Agreement, including Article IX, irrespective of any of Indemnifying Parties’ respective Escrow Pro Rata Portions, and shall be distributed in accordance with the terms and conditions of this Agreement, including Article IX, and the Escrow Agreement. Each Indemnifying Party shall have the ability to exercise all rights with respect to the Indemnity Escrow Shares to which such Indemnifying Party has a continuing contingent right to retain in accordance with the terms of this Agreement, including voting rights, except for the right of possession thereof, and the right to pledge, encumber, sell, assign or transfer such Indemnity Escrow Shares or any interest therein except as contemplated by the Escrow Agreement. Each Indemnifying Party may direct the Securityholder Representative to vote all Indemnity Escrow Shares to which such Indemnifying Party has a continuing contingent right to retain in accordance with the terms of this Agreement. The Securityholder Representative (on behalf of the Indemnifying Parties) shall direct the Escrow Agent in writing as to the exercise of any such voting rights in accordance with the direction received from the Indemnifying Parties (and if no direction is received, shall direct the Escrow Agent not to vote such Indemnity Escrow Shares).

(d) Expense Fund Amount. As soon as reasonably practicable following the Closing, Acquiror shall deposit, or cause to be deposited, by wire transfer of immediately available funds to the Securityholder Representative cash in the amount of \$350,000 (the “Expense Fund Amount”), into a segregated account designated by the Securityholder Representative in a written notice delivered to Acquiror at least three (3) Business Days prior to the Closing Date (the Expense Fund Amount in such account, together with any income earned on the Expense Fund Amount, the “Expense Fund”). Notwithstanding anything herein to the contrary, Acquiror’s obligations to make payment of all or any portion of the Expense Fund Amount shall be fully satisfied upon deposit of the Expense Fund Amount in the Expense Fund. The Expense Fund shall be treated as received and deposited by the Securityholders pursuant to Section 1.3 at the Effective Time for Tax purposes and be held as a trust fund for the benefit of the appropriate Securityholders and shall not be subject to any lien, attachment, trustee process or any other judicial process of any creditor of any Person. The Expense Fund shall be used by the Securityholder Representative as agent and for the benefit of the Securityholders and shall be used (i) for the purposes of paying directly or reimbursing the Securityholder Representative for any Securityholder Representative Expenses incurred pursuant to this Agreement, the Escrow Agreement or the Securityholder Representative Engagement Agreement, or (ii) as otherwise determined by the Advisory Group (the “Expense Fund”). The Securityholders will not receive any interest or earnings on the Expense Fund and irrevocably transfer and assign to the Securityholder Representative any ownership right that they may otherwise have had in any such interest or earnings. The Securityholder Representative will hold these funds separate from its corporate funds, will not use these funds for its operating expenses or any other corporate purposes and will not voluntarily make these funds available to its creditors in the event of bankruptcy. The Securityholder Representative is not providing any investment supervision, recommendations or advice and shall have no responsibility or liability for any loss of principal of the Expense Fund other than as a result of its gross negligence or willful misconduct. The Securityholder Representative is not acting as a withholding agent or in any similar capacity in connection with the Expense Fund, and has no tax reporting or income distribution obligations hereunder. As soon as reasonably determined by the Securityholder Representative that the Expense Fund is no longer required to be withheld, the Securityholder Representative shall distribute all amounts then-remaining in the Expense Fund (if any) to the Stockholders and Warrantholders in accordance with their respective Escrow Pro Rata Portions (determined without including the Retention Bonus Pool Awards payable to any Stockholder or Warrantholder in the calculation of the numerator or denominator thereof).

2.4 Withholding Taxes. The Company, the Exchange Agent, Acquiror and the Surviving Corporation, and each of their Affiliates and Representatives shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement such amounts as are required to be deducted or withheld therefrom under any provision of federal, state, local or foreign Tax Law, and to be provided any necessary Tax forms, including IRS Form W-9 or the appropriate series of IRS Form W-8, as applicable, or any similar information. Any such withholding shall be effected by reduction in the number of Acquiror Ordinary Shares deliverable pursuant to this Agreement, with each Acquiror Ordinary Share valued for this purpose at Acquiror Share Price. To the extent such amounts are so deducted or withheld and paid to the appropriate Governmental Entity, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid. To the extent that such amounts are not so deducted and withheld, such Person shall indemnify the applicable withholding agent for any amounts imposed by a Governmental Entity.

2.5 Outstanding Loans. In the event that any Person entitled to consideration hereunder has outstanding loans from the Company or any Subsidiary as of the Effective Time, the consideration payable to such Person pursuant to Section 1.3 shall be reduced by that number of Acquiror Ordinary Shares having an aggregate value equal to the outstanding principal plus accrued interest, if any, of such Person's loans as of the Effective Time, plus any other amounts owed by such Person to the Company or any Subsidiary (collectively, such Person's "Loan Repayment Amount"), with each Acquiror Ordinary Share valued for this purpose at Acquiror Share Price. Such loans shall be satisfied as to the amount by which the consideration is reduced pursuant to this Section 2.5. To the extent the consideration payable to such Person is so reduced, such amount shall be treated for all purposes under this Agreement as having been paid to such Person.

(h) International Employee Plan. Each International Employee Plan has been established, maintained and administered in all material respects in compliance with its terms and conditions and with the requirements prescribed by applicable Laws. Furthermore, no International Employee Plan has unfunded liabilities that, as of the Effective Time, will not be offset by insurance or fully accrued. Except as required by applicable Law, and no condition exists that would prevent the Company or Acquiror from terminating or amending any International Employee Plan at any time for any reason without liability to the Company or its ERISA Affiliates (other than ordinary administration expenses or routine claims for benefits). To the extent applicable, each International Employee Plan has been approved by the relevant taxation and other Governmental Entities so as to enable: (i) the Company and its Subsidiaries and the participants and beneficiaries under the relevant International Employee Plan and (ii) in the case of any International Employee Plan under which resources are set aside in advance of the benefits being paid (a “Funded International Employee Plan”), the assets held for the purposes of the Funded International Employee Plans, to enjoy the most favorable taxation status possible and the Company is not aware of any ground on which such approval may cease to apply. Except as required by applicable Laws, no condition or term under any relevant Company Employee Plan exists which would reasonably be expected to prevent the Surviving Corporation or Acquiror from terminating or amending any International Employee Plan at any time for any reason without liability to the Company or any of its Subsidiaries, the Surviving Corporation or Acquiror (other than ordinary administration expenses or routine claims for benefits).

(i) No Post-Employment Obligations. (j) Effect of Transaction. Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby (alone or in connection with additional or subsequent events) or any termination of employment or service in connection therewith will (i) result in any payment (including severance, golden parachute, bonus or otherwise) under any Company Employee Plan becoming due to any Employee, (ii) result in any forgiveness of indebtedness, (iii) increase any benefits otherwise payable by the Company or any Subsidiary under any Company Employee Plan, (iv) result in the acceleration of the time of payment or vesting of any such benefits under any Company Employee Plan except as required under Section 411(d)(3) of the Code or (v) increase the cost to the Company or any Subsidiary or impose a loss to any Employee under any Company Employee Plan (including but not limited to as a result of the termination of any Company Employee Plan following the Closing).

Neither the Company nor any Subsidiary are delinquent in payment to any Employees for any wages, fees, salaries, commissions, bonuses, or other direct compensation for service performed by them or amounts required to be reimbursed to such Employees or in payments owned upon any termination of such person's employment or service. The Company has Made Available accurate and complete copies of all employee manuals and handbooks, codes of conduct, policy statements and other material documents in effect as of the date hereof relating to the employment of the employees of the Company or any of its Subsidiaries. There are no Actions or other matters pending or, to the Knowledge of the Company, threatened or reasonably anticipated against the Company in any forum by or on behalf of any Employee, any applicant for employment or classes of the foregoing alleging breach of any express or implied employment contract, violation of any Law governing employment or the termination thereof, or any other discriminatory, wrongful or tortious conduct on the part of the Company or any of its employees in connection with the employment relationship.

No terminations prior to the Closing would trigger any notice or other obligations under WARN.

(h) No Interference or Conflict. No current Employee is obligated under any Contract, subject to any Order of any Governmental Entity that would interfere with such Person’s efforts to promote the interests of the Company or any Subsidiary or that would interfere with the business of the Company or its Subsidiaries. Neither the execution nor delivery of this Agreement, nor the carrying on of the Company’s business as presently conducted or proposed to be conducted nor any activity of such Employees in connection with the carrying on of the Company’s business or any Subsidiary’s businesses as presently conducted or currently proposed to be conducted will conflict with or result in a breach of the terms, conditions, or provisions of, or constitute a default under, any Contract under which any of such officers, directors, Employees, or consultants is now bound. To the Knowledge of the Company, no Employee is in violation of, or has been alleged to be in violation of, any material term of any employment contract, non-disclosure, non-competition, non-solicitation or confidentiality agreement or consulting or independent contractor agreement with the Company or any third party as a result of such person’s employment with the Company and activities associated therewith.

In addition, there is no pending claim of which its total value (inclusive of defense expenses) would reasonably be expected to exceed the policy limits. All premiums due and payable under all such policies and bonds have been timely paid (or if installment payments are due, will be timely paid if incurred prior to the Closing Date), and the Company and its ERISA Affiliates are otherwise in compliance in all material respects with the terms of such policies and bonds (or other policies and bonds providing substantially similar insurance coverage). Such policies and bonds (or other policies and bonds providing substantially similar coverage) are in full force and effect. ARTICLE VI
COMPANY NON-SOLICITATION AGREEMENT

6.1 Termination of Discussions. The Company, its Affiliates and their respective Representatives shall immediately cease and cause to be terminated any such negotiations and discussions with third parties (other than Acquiror and its Representatives) regarding (i) any acquisition of all or any material portion of the business, properties, assets or technologies of the Company or any of its Subsidiaries, or any amount of Company Securities or the Equity Interests of any Subsidiary, whether or not outstanding (in each case, other than in connection with the exercise of Company Options or Company Warrants outstanding as of the Agreement Date or the conversion of Company Preferred Stock in accordance with the Charter Documents), in any case whether by merger, consolidation, amalgamation, purchase of assets or stock, tender or exchange offer, license or otherwise (other than the sale of products and services in the ordinary course of business consistent with past practice or the licensing of Intellectual Property Rights in connection therewith), (ii) any joint venture or other strategic investment in or involving the Company or any of its Subsidiaries (other than pursuant to a commercial or strategic relationship in the ordinary course of business consistent with past practice), including any new debt, equity, or other financing or investment, or recapitalization of the Company or any of its Subsidiaries, or (iii) any similar transaction that is not in the ordinary course of business (each of the transactions described in the preceding clauses (i), (ii) and (iii) being referred to herein as an "Alternative Transaction").

6.2 No Solicitation. During the Pre-Closing Period, the Company shall not, nor shall the Company permit any of its Affiliates or its or their Representatives to, directly or indirectly:

(a) solicit, initiate, seek or knowingly encourage, promote, or support any inquiry, proposal or offer from, furnish any information regarding the Company or any of its Subsidiaries to, or participate in any discussions or negotiations with, any third party regarding, or in a manner intended or reasonably likely to facilitate, any Alternative Transaction;

(b) disclose any information not customarily disclosed to any person concerning the business, properties, assets or technologies of the Company or any of its Subsidiaries, or afford to any Person access to their respective properties, assets, technologies, books or records, not customarily afforded such access in a manner intended or reasonably likely to facilitate, any Alternative Transaction;

(c) assist or cooperate with any person to make any inquiry, offer, proposal or indication of interest regarding any Alternative Transaction; or

(d) enter into any Contract with any person providing for an Alternative Transaction.

6.3 Notice of Alternative Transaction Proposals. In the event that the Company or any of its Representatives shall receive, prior to the Effective Time or the termination of this Agreement in accordance with Section 8.1, any inquiry offer, proposal or indication of interest regarding a potential Alternative Transaction, or any request for disclosure of information or access of the type referenced in Section 6.2(b), the Company or such Affiliate or Representative shall promptly (and in any event within twenty four (24) hours) notify Acquiror thereof, which notice shall include the identity of the party making any such inquiry, offer, proposal, indication of interest or request, and the specific terms of such inquiry, offer, proposal, indication or request, as the case may be (including a copy of any written material received from such third party related to such proposal).

6.4 Breaches. It is understood that any violation of the restrictions set forth above by any Representative of the Company or its Subsidiaries shall be deemed to be a breach of this Agreement by the Company.

6.5 Specific Performance. The parties to this Agreement agree that, in the event of any breach or threatened breach of this Article VI by the Company, any of its Subsidiaries, any Securityholder, or any Representative of the foregoing, (i) Acquiror shall be entitled, without any proof of actual damages (and in addition to any other remedy that may be available to it), to a decree or order of specific performance or mandamus to enforce the observance and performance of this Article VI and an injunction preventing or restraining such breach or threatened breach, and (ii) Acquiror shall not be required to provide or post any bond or other security or collateral in connection with any such decree, order or injunction or in connection with any related action or legal proceeding. Any and all remedies expressly conferred in this Article VI upon Acquiror shall be deemed to be cumulative with, and not exclusive of, any other remedy conferred hereby, or by law or in equity upon Acquiror, and the exercise by Acquiror of any one remedy will not preclude the exercise of any other remedy.

ARTICLE VII ADDITIONAL AGREEMENTS

7.1 Form S-4.

(a) As promptly as reasonably practicable after the Agreement Date, Acquiror shall file with the SEC a registration statement on Form S-4 (or any successor form) to register under the Securities Act the offer and sale of Acquiror Ordinary Shares pursuant to the Merger, which shall include a prospectus for the issuance of such Acquiror Ordinary Shares (the "Form S-4"); *provided, however*, that Acquiror may, in its sole and absolute discretion, elect to file the Proxy Statement contemplated by Section 7.4 together with the Form S-4. Each of the Company and Acquiror shall use its reasonable best efforts to (A) have the Form S-4 declared effective under the Securities Act as promptly as reasonably practicable after such filing, (B) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Exchange Act, Securities Act, and other applicable Law, and (C) keep the Form S-4, if the Form S-4 is declared effective by the SEC, effective for so long as necessary to complete the Merger. The Company shall furnish in writing to Acquiror all information concerning the Company and its Subsidiaries that is customarily included in a Form S-4 for a transaction of the type contemplated by this Agreement, including that which is required by applicable Law to be included in the Form S-4 so as to enable Acquiror to comply with its obligations under this Section 7.1(a). Acquiror and the Company shall cooperate in good faith to determine the information regarding the Company that is to be included in the Form S-4, including that which is necessary to include in the Form S-4 in order to satisfy applicable Law. Each of Acquiror and the Company shall promptly correct any information provided by it or any of its respective Representatives for use in the Form S-4 if and to the extent that such information shall have become false or misleading in any material respect. Acquiror shall take all steps reasonably necessary to cause the Form S-4, as so corrected, to be filed with the SEC and to be disseminated, in each case, as and to the extent required by applicable Law, or by the SEC or its staff, or the NYSE. Acquiror shall provide the Company and its counsel a reasonable opportunity to review and comment on the Form S-4 prior to the filing thereof with the

SEC, and Acquiror shall consider in good faith any reasonable comments made by the Company and its counsel (it being understood that the Company and its counsel shall provide any comments thereon as soon as reasonably practicable). Acquiror shall provide the Company and its counsel any and all material written comments or other written material communications that Acquiror or its counsel receives from the SEC or its staff with respect to the Form S-4 as promptly as reasonably practicable after such receipt, and Acquiror shall provide the Company and its counsel a reasonable opportunity to participate in the formulation of any response to any such comments of the SEC or its staff (including a reasonable opportunity to review and comment on any such response, to which Acquiror shall consider in good faith any reasonable comments made by the Company and its counsel (it being understood that the Company and its counsel shall provide any comments thereon as soon as reasonably practicable)) and participate in any substantive discussions with the SEC or its staff regarding any such comments. Acquiror shall use reasonable best efforts to as promptly as reasonably practicable respond to any comments of the SEC or its staff regarding the Form S-4. Acquiror shall also take any other action required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or “blue sky” Laws and the rules and regulations thereunder in connection with the issuance of the Acquiror Ordinary Shares in the Merger, and the Company shall furnish all information concerning the Company and the Securityholders as may be reasonably requested in connection with any such actions.

(b) The Company shall use reasonable best efforts to cause Cooley LLP (“Cooley”) to deliver to the Company, and Acquiror shall use reasonable best efforts to cause Wilson Sonsini Goodrich & Rosati, Professional Corporation (“WSGR”) to deliver to Acquiror, any opinions relating to the Tax treatment of the Merger that are customarily required in connection with the Form S-4. In connection with such opinions, upon the request of Cooley or WSGR, officers of each of the Company and Acquiror shall use reasonable best efforts to deliver to Cooley or WSGR, as applicable, certificates, dated as of the necessary date, signed by such officer of the Company or Acquiror, as applicable, containing customary representations in connection with such opinions.

(c) Without limiting the foregoing, the Company shall, and shall cause its Representatives to, cooperate with and provide to Acquiror and its Representatives with true, correct, and complete information regarding the Company and its Subsidiaries that is customary in connection with the preparation and filing of the Form S-4, including such information as may be required to be included in the Form S-4 pursuant to applicable Law. Without limiting the foregoing, the Company shall use reasonable best efforts to cause its independent accounting firm to deliver to the Company a consent letter of the Company’s independent accounting firm, in form and substance satisfactory to Acquiror (acting reasonably), that is customary in scope and substance for letters delivered by independent public accountants in connection with registration statements similar to the Form S-4.

7.2 Stock Exchange Listing. Acquiror shall use its reasonable best efforts to cause the Acquiror Ordinary Shares to be issued in the Merger to be approved for listing on the NYSE, subject to official notice of issuance.

7.3 Company Securityholder Approvals.

(a) Company Requisite Stockholder Approval. Promptly (and in any event within two (2) Business Days) following the time at which the Form S-4 is declared effective under the Securities Act (the “S-4 Effective Time”), the Company shall solicit written consent from all of its Stockholders in a form acceptable to Acquiror (the “Stockholder Written Consent”) by delivery of an Information Statement concerning (i) the Company, its business, and financial performance (including financial statements and, if prepared, financial projections), (ii) the terms of this Agreement, (iii) the Merger and the other transactions contemplated hereby, and (iv) the unanimous recommendation of the Company’s Board of Directors that the Stockholders vote in favor of the adoption of this Agreement, the Merger and the other transactions contemplated hereby and not exercise their appraisal or dissenters rights under applicable Law, including Delaware Law, in connection with the Merger (the

“Information Statement”). The Information Statement shall be prepared and delivered in accordance with the Company’s Charter Documents, Delaware Law and other applicable Law, and shall include any notice required to be made to the Stockholders, including under Section 262 of Delaware Law. The Information Statement and all other materials submitted to the Stockholders will not contain, at or prior to the Effective Time, any untrue statement of a material fact, and will not omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which made, not misleading. The Company shall promptly deliver to Acquiror a copy of each executed Stockholder Written Consent upon receipt thereof from any Stockholder pursuant to such solicitation. Promptly (and in any event within two (2) Business Days) after the S-4 Effective Time, the Company will deliver to Acquiror the Stockholder Written Consent from Stockholders pursuant to the preceding solicitation that are sufficient to fully and irrevocably deliver the Company Requisite Stockholder Approval. Upon receipt of the Company Requisite Stockholder Approval, the Company shall promptly deliver notice to each Stockholder whose consent was not obtained prior to the Company’s receipt of the Company Requisite Stockholder Approval, which notice shall include the notice to Stockholders required by Sections 228(e) and 262 of Delaware Law of the approval of the Merger. All materials submitted to the Stockholders, including the Information Statement, shall be subject to the review and comment of Acquiror. The Board of Directors of the Company shall not alter, modify, change or revoke its unanimous approval of this Agreement, the Merger and the other transactions contemplated hereby, nor its unanimous recommendation to the Stockholders to vote in favor of adoption of this Agreement and approval of the Merger and the other transactions contemplated hereby.

(b) 280G Approvals. Prior to the Effective Time, the Company shall submit to the Stockholders for approval (in a form satisfactory to Acquiror (acting reasonably)), by such number of Stockholders as is required by the terms of Section 280G(b)(5)(B) of the Code, any payments and/or benefits that may separately or in the aggregate, constitute “parachute payments” (which determination shall be made by the Company and shall be subject to review and approval by Acquiror) (within the meaning of Section 280G of the Code and the regulations promulgated thereunder), such that such payments and benefits shall not be deemed to be “parachute payments” under Section 280G of the Code (the “280G Solicitations”). Prior to the Effective Time, the Company shall deliver to Acquiror evidence satisfactory to Acquiror (acting reasonably) that (i) a Stockholder vote was solicited in conformance with Section 280G and the regulations promulgated thereunder and the Company Requisite Stockholder Approval was obtained with respect to any payments and/or benefits that were subject to the Stockholder vote (the “280G Approval”), or (ii) that the 280G Approval was not obtained and as a consequence, that such “parachute payments” shall not be made or provided, pursuant to the 280G Waivers executed by the affected individuals prior to the 280G Solicitations.

(c) Joinders. Prior to the Closing, the Company shall use its reasonable best efforts to cause each Indemnifying Party to execute and deliver to the Company a Joinder Agreement.

(d) Warrant Cancellation Agreements. Prior to the Closing, the Company shall use its reasonable best efforts to cause each Warrantholder to sign a Warrant Cancellation Agreement (each, a “Warrant Cancellation Agreement”) in the form attached hereto as Exhibit K.

7.4 Acquiror Shareholder Approval.

(a) As promptly as reasonably practicable after the Agreement Date, Acquiror shall file with the SEC a proxy statement in connection with seeking the Acquiror Requisite Shareholder Approval (the “Proxy Statement”); *provided, however*, that Acquiror may, in its sole and absolute discretion, elect to file the Form S-4 contemplated by Section 7.1 together with the Proxy Statement. The Company shall furnish in writing to Acquiror all information concerning the Company and its Subsidiaries that would customarily be included in the Proxy Statement for a transaction of the type contemplated by this Agreement, including that which is required by applicable Law to be included in the Proxy Statement so as to enable Acquiror to comply with its obligations

under this Section 7.1(a). Acquiror and the Company shall cooperate in good faith to determine the information regarding the Company that is to be included in the Proxy Statement, including that which is necessary to include in the Proxy Statement in order to satisfy applicable Law. Each of Acquiror and the Company shall promptly correct any information provided by it or any of its Representatives for use in the Proxy Statement if and to the extent that such information shall have become false or misleading in any material respect. Acquiror shall take all steps reasonably necessary to cause the Proxy Statement, as so corrected, to be filed with the SEC and to be disseminated, in each case, as and to the extent required by applicable Law, or by the SEC or its staff, or the NYSE. Acquiror shall provide the Company and its counsel a reasonable opportunity to review and comment on the Proxy Statement prior to the filing thereof with the SEC, and Acquiror shall consider in good faith any reasonable comments made by the Company and its counsel (it being understood that the Company and its counsel shall provide any comments thereon as soon as reasonably practicable). Acquiror shall provide the Company and its counsel any and all material written comments or other written material communications that Acquiror or its counsel receives from the SEC or its staff with respect to the Proxy Statement as promptly as reasonably practicable after such receipt, and Acquiror shall provide the Company and its counsel a reasonable opportunity to participate in the formulation of any response to any such comments of the SEC or its staff (including a reasonable opportunity to review and comment on any such response, to which Acquiror shall give reasonable and good faith consideration to any comments made by the Company and its counsel (it being understood that the Company and its counsel shall provide any comments thereon as soon as reasonably practicable)) and to participate in any substantive discussions with the SEC or its staff regarding any such comments. Acquiror shall use reasonable best efforts to as promptly as reasonably practicable respond to any comments of the SEC or its staff regarding the Proxy Statement.

(b) Without limiting the foregoing, the Company shall, and shall cause its Representatives to, cooperate with and provide to Acquiror and its Representatives with true, correct, and complete information regarding the Company and its Subsidiaries customarily required in connection with the preparation and filing of the Proxy Statement, including such information as may be required to be included in the Proxy Statement pursuant to applicable Law. Without limiting the foregoing, the Company shall use reasonable best efforts to cause its independent accounting firm to deliver to the Company a consent letter of the Company's independent accounting firm, in form and substance satisfactory to Acquiror (acting reasonably), that is customary in scope and substance for letters delivered by independent public accountants in connection with registration statements similar to the Proxy Statement.

(c) As promptly as reasonably practicable after the S-4 Effective Time, Acquiror shall convene a general meeting to approve the resolution of Acquiror's board of directors that Acquiror shall consummate the transactions contemplated by this Agreement (such meeting, the "Acquiror Shareholders' Meeting"); *provided, however*, that Acquiror may, in its sole and absolute discretion, elect to hold the Acquiror Shareholders' Meeting at its first annual general meeting convened after the S-4 Effective Time. Notwithstanding the foregoing, Acquiror shall have the right to postpone the convocation of the Acquiror Shareholders' Meeting, or to withdraw the convocation of the Acquiror's Shareholders' Meeting, if: (i) on the date that the Acquiror Shareholders' Meeting is then-scheduled, Acquiror has not received proxies representing a sufficient number of votes to obtain the Acquiror Requisite Shareholder Approval; (b) on the date that the Acquiror Shareholders' Meeting is then-scheduled, there is insufficient share capital represented at the Acquiror Shareholders' Meeting (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Acquiror Shareholders' Meeting; or (c) the failure to postpone the convocation of the Acquiror Shareholders' Meeting, or to withdraw the convocation of the Acquiror's Shareholders' Meeting, would be a violation of applicable Law.

7.5 Governmental Approvals.

(a) In furtherance and not in limitation of the terms of Section 7.7, each of the Company, any Subsidiary and Acquiror shall, as promptly as reasonably practicable and advisable after the Agreement Date,

execute and file, or join in the execution and filing of, any application, notification or other document that may be necessary in order to obtain the authorization, approval or consent of any Governmental Entity, whether federal, state, local or foreign, that may be reasonably required, or that the Company or Acquiror may reasonably request, in connection with the consummation of the transactions contemplated hereby. Each of the Company and Acquiror shall use its reasonable best efforts to obtain all such authorizations, approvals and consents. To the extent permitted by Laws, each of the Company and Acquiror shall promptly inform the other of any material communication between the Company or Acquiror (as applicable) and any Governmental Entity regarding the transactions contemplated hereby. If the Company or Acquiror or any Affiliate thereof shall receive any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to the transactions contemplated hereby, then the Company or Acquiror (as applicable) shall make, or cause to be made, as soon as reasonably practicable, a response in compliance with such request. Each of the Company and Acquiror shall direct, in its sole discretion, the making of such response, but shall consider in good faith the views of the other.

(b) Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, it is expressly understood and agreed that neither Company nor Acquiror nor Merger Sub shall have any obligation to litigate any Action that may be brought in connection with the transactions contemplated by this Agreement, and neither Acquiror nor any Affiliate of Acquiror shall be required to agree to any license, sale or other disposition or holding separate (through the establishment of a trust or otherwise), of shares of capital stock or of any business, assets or property of Acquiror, the Company or any of their respective Affiliates, or the imposition of any limitation on the ability of any of them to conduct their businesses or to own or exercise control of such assets, properties and stock.

(c) Each of the Company and Acquiror shall jointly develop, consult and cooperate with one another regarding the strategy with respect to seeking any actions, consents, approvals or waivers of any Governmental Entity as contemplated hereby, including CFIUS and DSS, as pursuant to Section 7.5(d) and Section 7.5(e); provided, however, if the Company and Acquiror cannot agree on a jointly developed strategy, notwithstanding their respective good faith attempts to do so, Acquiror shall have the final say with respect to CFIUS or DSS strategy; *provided, further*, and without limiting the foregoing, that Acquiror will consult with the Company and consider in good faith the views of the Company in advance of making any decisions with respect to such strategy. Notwithstanding Acquiror's rights as provided in the prior sentence, Acquiror shall not require the Company to, and the Company shall not be required to, take any action with respect to any applicable antitrust or anti-competition Law that would bind the Company or its Subsidiaries irrespective of whether the Merger occurs.

(d) CFIUS.

(i) Acquiror and the Company will use reasonable best efforts to prepare and pre-file, as promptly as reasonably practicable and advisable after the Agreement Date, a draft joint voluntary notice with CFIUS pursuant to the DPA with respect to the Merger or the other transactions contemplated by this Agreement. As promptly as reasonably practicable after receipt and resolution of comments from CFIUS on the pre-filing, Acquiror and the Company shall file with CFIUS a joint voluntary notice pursuant to the DPA with respect to the Merger or the other transactions contemplated hereby.

(ii) Without limiting the generality of the foregoing, each of Acquiror and the Company shall use reasonable best efforts to:

(A) provide as promptly as reasonably practicable to each other's counsel and to CFIUS any additional or supplemental information and documentary material as may be necessary, proper or advisable in connection with preparation and submission of the notice and thereafter to achieve CFIUS Approval and permit consummation of the transactions contemplated hereby; (B) permit the other party to review reasonably in advance any communication (subject to mutually acceptable appropriate redactions to maintain confidentiality of business information) proposed to be given by it to CFIUS, and consult with each other in

advance of any meeting or conference with CFIUS, and, to the extent permitted by CFIUS, give the other party the opportunity to attend and participate in any such meeting or conference; and (C) keep each other timely apprised of the status of any communications with, and any inquiries or requests for additional information or documentary material from, CFIUS, in case of each of clauses (A)—(C), to the extent permitted by applicable Law and subject to customary and mutually acceptable confidentiality practices and all applicable privileges (including the attorney-client privilege).

(iii) Notwithstanding anything to the contrary contained in this Agreement, in no event shall Acquiror be obligated to accept (A) any requirement by CFIUS to divest or hold separate (through the establishment of a trust, proxy or otherwise) any assets or operations of Acquiror or its Subsidiaries or any assets or operations of the Company and its Subsidiaries or (B) any action, restriction, or condition required by CFIUS as a condition of obtaining CFIUS Approval if the action, restriction, or condition would reasonably be expected to result in individually or in the aggregate, a commercially unreasonable restriction or impairment on the Company and its Subsidiaries, or Acquiror and its Subsidiaries, or their respective assets, products, services, business, operations, directors, officers, or employees (any of the foregoing, a “CFIUS Burdensome Condition”); *provided, however*, that such CFIUS Burdensome Conditions shall not include, among other things, requirements to (1) appoint a CFIUS-approved Security Director on the board of any Subsidiary of the Company that has a contract with the U.S. federal government, (2) submit cybersecurity or other policies to CFIUS for approval, (3) limit access to customer data to CFIUS-approved employees, (4) engage in CFIUS-approved reviews of Company source code, or (5) appoint a CFIUS-approved, third-party auditor or monitor to oversee compliance with any mitigation agreement or condition. In the event that a CFIUS Burdensome Condition is not acceptable to Acquiror, in its sole and absolute discretion (an “Acquiror Rejected CFIUS Condition”), Acquiror may request a withdrawal of the notice filed with CFIUS in connection with the CFIUS Approval, with which Company shall cooperate and comply, and no party shall have any further obligation to seek CFIUS Approval. Each of the Company and Acquiror shall not be obligated to agree to, commit or effect, (x) any sale, license, holding separate or other disposition of assets or businesses, (y) terminating, relinquishing, modifying, or waiving existing relationships, ventures, contractual rights, obligations or other arrangements, or (z) creating any relationships, ventures, contractual rights, obligations or other arrangements (any of the foregoing, a “Remedial Action”) by CFIUS unless such Remedial Action is conditioned upon, or will occur subsequent to, consummation of the Merger.

(iv) Notwithstanding the foregoing or anything to the contrary contained in this Agreement, in the event that CFIUS notifies Acquiror and the Company in writing that CFIUS (A) has completed its review or investigation and has unresolved national security concerns, and (B) intends to send a report to the President of the United States requesting the President’s decision because it (i) recommends that the President act to suspend or prohibit the Merger, (ii) is unable to reach a decision on whether to recommend that the President suspend or prohibit the Merger or (iii) requests that the President make a determination with respect to the Merger (a “CFIUS Turndown”), each of either Acquiror or the Company may request a withdrawal of the notice filed with CFIUS in connection with the CFIUS Approval, with which the other party shall cooperate and comply, and no party shall have any further obligation to seek CFIUS Approval.

(e) DSS FOCI.

(i) Acquiror and the Company will use reasonable best efforts to submit, as promptly as reasonably practicable and advisable after the Agreement Date, to DSS and, to the extent applicable, any other Governmental Entity, notification of the Merger and the other transactions contemplated hereby pursuant to the NISPOM and any other applicable national or industrial security regulations, and submit and request approval under any FOCI related requirements and similar requirements included in any Government Contract, or where any FOCI may, in the opinion of any Governmental Entity, adversely impact security requirements.

(ii) Without limiting the generality of the foregoing, each of Acquiror and the Company shall use reasonable best efforts to: (A) provide as promptly as reasonably practicable to each other's counsel and to DSS or other Governmental Entities, as applicable, any additional or supplemental information and documentary material as may be necessary, proper or advisable in connection with preparation and submission of the notice and thereafter to achieve DSS Approval and permit consummation of the transactions contemplated hereby; (B) permit the other party to review reasonably in advance any communication (subject to mutually acceptable appropriate redactions to maintain confidentiality of business information) proposed to be given by it to DSS or other Governmental Entities, as applicable, and consult with each other in advance of any meeting or conference with DSS or other Governmental Entities, as applicable, and, to the extent permitted by DSS or other Governmental Entities, as applicable, give the other party the opportunity to attend and participate in any such meeting or conference; and (C) keep each other timely apprised of the status of any communications with, and any inquiries or requests for additional information or documentary material from, DSS or other Governmental Entities, as applicable, in each case (A) – (C), to the extent permitted by applicable Law and subject to customary and mutually acceptable confidentiality practices and all applicable privileges (including the attorney-client privilege).

(f) Acquiror's reasonable best efforts as described in this Section 7.5 shall include accepting any action, restriction, or condition required by DSS or other Governmental Entities pursuant to the NISPOM requirements, restrictions, or other safeguards for handling classified material. Notwithstanding the foregoing or anything to the contrary in this Agreement, reasonable best efforts shall not require, and in no event shall Acquiror be required to effect, any material separation of product engineering personnel between the FOCI mitigated entity and parent company or replication or location of all product engineering personnel within the FOCI mitigated entity. In the event that Acquiror does not or is unable to take an action, restriction or condition required by DSS or another Governmental Entity as a condition of obtaining, or DSS notifies Acquiror and the Company it will not provide DSS Approval or another applicable Governmental Entity approval related to national or industrial security regulation (an "Acquiror Rejected DSS Condition" or "DSS Turndown," as applicable), Acquiror or the Company may request that DSS or another applicable Governmental Entity cease consideration of any notice filed in connection with the DSS Approval or other applicable Governmental Entity approval related to national or industrial security regulations, and no party shall have any further obligation to seek the DSS Approval or other applicable Governmental Entity approval related to national or industrial security regulations. Each of the Company and Acquiror shall not be obligated to agree to any Remedial Action required by DSS or another applicable Government Entity unless such Remedial Action is conditioned upon, or will occur subsequent to, consummation of the Merger.

7.6 Third Party Contract Notices and Consents; Provision of Certain Information.

(a) Third Party Contract Notices and Consents. The Company shall use reasonable best efforts to send all notices to and obtain all consents, waivers and approvals of any third-party party to any Material Contract as are required thereunder in connection with the Merger. Such notices, consents, modifications, waivers and approvals shall be in form and substance acceptable to Acquiror (acting reasonably). In the event the Merger is not consummated for any reason, none of Acquiror or Merger Sub or any of their respective Affiliates shall have any liability to the Company, the Securityholders or any other Person for any Liabilities resulting from the Company sending any such notice or seeking to obtain any such consents, modifications, waivers and approvals.

(b) Provision of Certain Information. Within thirty (30) days of the Agreement Date, the Company shall provide to Acquiror an accurate and complete written list of the following information: (i) any actions that must be taken by the Company or any Subsidiary within 180 days after the Closing Date for the purposes of maintaining, perfecting, or preserving or renewing the rights of the Company and its Subsidiaries in or to any item of Company Registered IP, including the payment of any registration, maintenance or renewal fees or the filing of any documents, applications or certificates; and (ii) a brief description of each then-currently proposed

Contract that would constitute a Material Contract hereunder if in effect on the Agreement Date and as to which any bid, offer, award, written proposal, term sheet, draft agreement, or similar document has been submitted or received by the Company or any Subsidiary.

7.7 Reasonable Best Efforts to Close. Subject to the terms and conditions provided in this Agreement, each of the parties hereto (other than the Securityholder Representative) shall use reasonable best efforts to take promptly, or cause to be taken promptly, all actions, and to do promptly, or cause to be done promptly, all things necessary, proper or advisable under applicable Laws to consummate and make effective the Merger and the other transactions contemplated hereby as promptly as practicable, including by using reasonable best efforts to take all action necessary to satisfy all of the conditions to the obligations of the other party or parties hereto to effect the Merger set forth in Article VII, to obtain all necessary waivers, consents, approvals and other documents required to be delivered hereunder and to effect all necessary registrations and filings and to remove any injunctions or other impediments or delays, legal or otherwise, in each case in order to consummate and make effective the Merger and the other transactions contemplated by this Agreement for the purpose of securing to the parties hereto the benefits contemplated by this Agreement.

7.8 Employee Matters.

(a) Resignation of Officers and Directors. Prior to the Closing, the Company shall have caused each director and officer of the Company and its Subsidiaries to execute a resignation and release letter in a form acceptable to Acquiror (the "Director and Officer Resignation Letter"), effective as the Effective Time.

(b) Proprietary Information and Inventions Assignment Agreements. Prior to the Closing, the Company shall use its reasonable best efforts to cause each current Employee, including each Person who becomes an Employee after the Agreement Date, to enter into and execute an Employee Proprietary Information Agreement or a Consultant Proprietary Information Agreement (each in a form satisfactory to Acquiror (acting reasonably)), as applicable.

(c) Termination of Employee Plans. Prior to the Closing, the Company shall terminate any Company Employee Plan intended to be qualified under Section 401(a) of the Code, as well as any Company Employee Plans that are group welfare benefit plans or that include group severance pay or benefits, such termination to be contingent upon the Closing and effective as of no later than the day immediately preceding the Closing Date, unless Acquiror provides written notice to the Company that any such Company Employee Plan shall not be terminated. The Company shall provide Acquiror with evidence reasonably satisfactory to Acquiror that all such Company Employee Plans have been terminated, including, with respect to Company Employee Plans intended to be qualified under Section 401(a) of the Code or as reasonably requested by Acquiror, resolutions of the board of directors (or similar body) of the Company or its ERISA Affiliates, as the case may be, terminating such Company Employee Plans. The form and substance of such resolutions shall be subject to review and approval of Acquiror (acting reasonably). In the event that termination of such a Company Employee Plan in connection with the Closing triggers liquidation charges, surrender charges or other fees, then such charges and/or fees shall be included in Third Party Expenses and shall be the responsibility of the Company, and the Company shall take such actions as are necessary to reasonably estimate the amount of such charges and/or fees and provide such estimate in the Statement of Expenses. The Company also shall take such other, commercially reasonable actions in furtherance of terminating any such Company Employee Plan as Acquiror may reasonably require.

(d) Termination of Certain Employee Arrangements. Prior to the Closing, the Company shall, in compliance with applicable Law, use reasonable best efforts to cause each Employee who is employed or engaged by the Company or any of its Subsidiaries as of or after the Agreement Date and who is not a Continuing Employee (each a "Non-Continuing Employee") to sign a separation and general release agreement (which shall not have been revoked) approved by Acquiror (acting reasonably) (each, a "Separation").

Agreement”), effective as of no later than one (1) Business Day prior to the Closing Date (except with respect to any legally required longer time period that is required for an effective release of federal age discrimination claims, in which case such Separation Agreements shall become effective no later than one (1) Business Day prior to the Closing Date with respect to all matters other than the release of federal age discrimination claims (the “ADEA Release”), which ADEA Release shall become effective no later than the maximum period required by law, and for which additional consideration of \$500 will be offered (the “ADEA Consideration”), and the Company shall pay all severance pay or benefits (other than the ADEA Consideration) required to be paid to such Non-Continuing Employees prior to the Closing in compliance with all applicable Contracts and applicable Law, all of which shall be Third Party Expenses; *provided* that in no event shall the Company agree to any severance pay or benefits, excluding the ADEA Consideration, in an amount greater than the applicable Employee’s average four (4) week cash compensation except to the extent required by any applicable Contracts and applicable Law; *provided further, however*, that Acquiror shall bear all Excluded Severance Costs. The Company shall ensure that all such separations shall be in compliance with applicable Law.

(e) Coordination of Special Payroll. Prior to the Closing, and subject to the reasonable prior review and approval of Acquiror, the Company shall take all actions reasonably necessary to provide for the payment of all unpaid Employee Compensation Expenses through the Company’s normal payroll procedures, which payments shall be made through a special payroll distribution as soon as practicable following the Effective Time, and in any event on or before the date that is ten (10) Business Days after the Closing Date.

(f) At Will Employment. Neither Acquiror nor any of its Affiliates shall be obligated under the terms of this Agreement to cause the continuation of any employment relationship with any Employee for any specific period of time.

(g) No Employment Commitment or Plan Amendments. Unless expressly stated in this Agreement, no provision of this Agreement is intended, or shall be interpreted, to provide or create any third party beneficiary rights or any other rights of any kind or nature whatsoever in any Securityholder, Key Employee or other Employee, consultant, contractor or any other Person, including any rights of employment for any specified period and/or any employee benefits, in favor of any Person, union, association, Key Employee, other Employee, consultant or contractor or any other Person, other than Acquiror or Merger Sub, the Company, and the Securityholder Representative and their respective successors and permitted assigns, and all provisions of this Agreement will be personal solely among such parties. In addition, no provision of this Agreement is intended, or shall be interpreted, to establish, amend or modify any term or condition of any employee related plan, program or policy of the Company or any Subsidiary.

7.9 Tax Matters.

(a) Tax Returns Filed On or Prior to Closing. The Company and its Subsidiaries shall prepare, or shall cause to be prepared, all Tax Returns of the Company and its Subsidiaries required to be filed under applicable Law on or prior to the Closing Date and shall be responsible for the timely filing (taking into account any extensions received from the relevant Tax authorities) of such Tax Returns. The Tax Returns described in this Section 7.9(a) shall be prepared on a basis consistent with those prepared for prior taxable periods unless otherwise required by Law. The Company shall provide Acquiror with a copy of each such Tax Return for its review, comment and approval no less than twenty (20) days prior to the earlier of the due date (taking into account valid extensions thereto) for such Tax Return, the Company shall revise such Tax Returns to reflect Acquiror’s reasonable comments, and the Company shall timely file the foregoing unless Acquiror withholds its consent thereto, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) Tax Returns Filed After Closing. Acquiror shall prepare or shall cause to be prepared all Tax Returns with respect to a Pre-Closing Tax Period required by Law to be filed by the Company or its Subsidiaries after the

Closing Date. If such Tax Return is a federal income Tax Return or reports a material Liability for Taxes for which indemnification by the Securityholders could be required hereunder, Acquiror will, at least twenty (20) days prior to the due date for filing such Tax Return (taking into account valid extensions thereto), provide the Securityholder Representative with a copy of such proposed Tax Return (and such additional information regarding such Tax Return as may reasonably be requested by the Securityholder Representative in writing) for review and comment. Acquiror will consider in good faith any reasonable comments or suggestions made by the Securityholder Representative. All Taxes that are due and payable with respect to Tax Returns described in this Section 7.9(b) shall be the responsibility of the Securityholders to the extent they constitute Pre-Closing Taxes, and shall, for the avoidance of doubt be subject to indemnification pursuant to Article IX, including Section 9.2(a)(ix). The Tax Returns described in this Section 7.9(b) with respect to a Pre-Closing Tax Period shall be prepared on a basis consistent with those prepared for prior taxable periods unless otherwise required by Law.

(c) Tax Assistance. The Securityholder Representative agrees to furnish or cause to be furnished to Acquiror and its Subsidiaries (including the Surviving Corporation), and Acquiror agrees to furnish or cause to be furnished, and to cause its Subsidiaries (including the Surviving Corporation) to furnish to Securityholder Representative at any time after the Closing Date, upon request, as promptly as practicable, such information (including access to books and records) and assistance relating to the Company and its Subsidiaries, as is reasonably requested for the filing of any Tax Returns, for the preparation of any audit and for the prosecution or defense of any pending or threatened audit or assessment, suit, proposed adjustment, deficiency, dispute, administrative or judicial proceeding or other similar claim. Each of Acquiror, the Company, their Subsidiaries and the Securityholder Representative shall retain all books and records in their possession with respect to Taxes for a period of at least seven (7) years following the Closing Date.

(d) Transfer Taxes. All Transfer Taxes imposed on the transactions contemplated by this Agreement shall be borne 50% by the Securityholders and 50% by Acquiror. The party required by applicable Law to file any Tax Return relating to such Transfer Taxes shall be responsible for filing such Tax Return.

(e) Straddle Period Apportionment. For purposes of this Agreement, whenever it is necessary to determine the liability for Taxes of the Company or its Subsidiaries for a Straddle Period, the determination of the Taxes of the Company or its Subsidiaries for the portion of the Straddle Period ending on and including the Closing Date, and the portion of the Straddle Period beginning after the Closing Date shall be determined by assuming that the Straddle Period consisted of two taxable years or periods, one of which ended at the close of the Closing Date and the other of which began at the beginning of the day following the Closing Date. The amount of any Taxes based on or measured by income, receipts or payroll of the Company for the Straddle Period shall be allocated between such two taxable years or periods on a "closing of the books basis" by assuming that the books of the Company were closed at the close of the Closing Date; *provided, however*, that exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions) shall be the amount of such allowances or deductions for the Straddle Period multiplied by a fraction, the numerator of which shall be the number of calendar days from the beginning of the period up to and including the Closing Date and the denominator of which shall be the number of calendar days in the entire Straddle Period. The amount of other Taxes of the Company for a Straddle Period that relates to the portion ending on the Closing Date shall be deemed to be the amount of such Tax for the entire Straddle Period multiplied by a fraction the numerator of which is the number of days in the Straddle Period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period. The Company and Acquiror agree to allocate all deductions of the Company accruing on the Closing Date to the Company's taxable period (or portion thereof) ending on the Closing Date pursuant to Treasury Regulations Section 1.1502-76(b)(1)(ii)(A)(1) (and not pursuant to the "next day" rule under Treasury Regulations Section 1.1502-76(b)(1)(ii)(B) or pursuant to the ratable allocation method under Treasury Regulations Section 1.1502-76(b)(2)(ii) or 1.1502-76(b)(2)(iii)) to the extent permissible under the Code. For the avoidance of doubt, the Company and Acquiror agree that all Tax deductions

and credits attributable to the transactions made pursuant to Section 1.3 hereof shall be allocated to the Company's taxable periods (or portion thereof) ending on or before the Closing Date to the extent permissible under the Code and the applicable Treasury Regulations.

(f) Post-Closing Actions. Neither Acquiror, the Surviving Corporation, nor any Indemnified Party shall (i) amend, refile or otherwise modify any Tax Returns of the Company with respect to any Pre-Closing Tax Period, other than as required to correct a position on any such Tax Return that is not in accordance with applicable Law; provided, Acquiror shall provide the Securityholder Representative with reasonable advanced notice and an opportunity to review and provide reasonable comments to such Tax Return before Acquiror takes any action pursuant to this clause (i) (ii) make or change any Tax election (including an election under Section 338 of the Code) that has retroactive effect to any Tax Return of the Company for a Pre-Closing Tax Period; or (iii) agree to extend or waive the statute of limitations with respect to Taxes for a Pre-Closing Tax Period of the Company, , except, in each case, (A) as permitted by Section 7.9(b), (B) with the prior written consent of the Securityholder Representative, which consent may not be unreasonably withheld, conditioned or delayed, or (C) if such action would not increase the liability of the Securityholders for Taxes. If Acquiror, the Surviving Corporation, or any Indemnified Party initiates or files any voluntary disclosure or similar agreements with any Governmental Entity in respect of any Pre-Closing Tax Period of the Company, Securityholder Representative shall be given the opportunity to review and provide reasonable comments to such voluntary disclosure or other agreement prior to filing, which reasonable comments Acquiror shall consider in good faith.

7.10 Payoff Letters and Release of Liens.

(a) Payoff Letters. No later than five (5) Business Days prior to the Closing Date, the Company shall obtain from each holder of Indebtedness of the Company or any Subsidiary, and deliver to Acquiror, an executed payoff letter, in form and substance reasonably acceptable to Acquiror (acting reasonably), setting forth (i) the amounts required to pay off in full on the Closing Date the Indebtedness owing to such holder of Indebtedness (including the outstanding principal, accrued and unpaid interest and prepayment and other penalties) and, other than with respect to the Company Convertible Notes, wire transfer information for such payment, and, with respect to Company Convertible Notes, the number of Acquiror Ordinary Shares to be issued in respect of such Company Convertible Note, (ii) upon payment of such amounts, a release of the Company and its Subsidiaries, (iii) upon payment of such amounts, a release of all Liens, if any, that the holder may hold on any of the assets of the Company or any of its Subsidiaries and an agreement that the Company or its Representatives may file UCC-3 termination statements and such other documents necessary or desirable to evidence the release of any and all such Liens, and attaching duly completed and executed copies of any necessary Tax forms, including IRS Form W-9 or the appropriate series of IRS Form W-8, as applicable (each, a "Payoff Letter").

(b) Release of Liens. At or prior to the Closing, the Company shall cause to be filed all agreements, instruments, certificates and other documents, in form and substance satisfactory to Acquiror (acting reasonably), that are necessary or appropriate to effect the release of all Liens set forth in Schedule 7.10(b).

7.11 Third Party Expenses.

(a) Whether or not the Merger are consummated, each party shall be responsible for its own expenses and costs that it incurs (and whether paid prior to, at or after the Effective Time) with respect to the negotiation, execution, delivery and performance of this Agreement, other than the Securityholder Representative to the extent the Securityholders are responsible for such amounts pursuant to this Agreement or any Securityholder Representative Engagement Agreement. Without limiting or expanding the foregoing, the Securityholders shall be responsible for all Third Party Expenses, which will be payable at the Closing pursuant to a dollar-for-dollar adjustment to the Merger Consideration otherwise payable hereunder. For purposes of this Agreement, "Third Party Expenses" means all fees and expenses incurred by or on behalf of the Company or any Subsidiary (or any

of their successors), whether or not paid or payable prior to, at or after the Effective Time, in connection with this Agreement, the Merger and the other transactions contemplated hereby, including: (i) all legal, accounting, financial advisory, consulting, finders' and all other fees and expenses of third parties incurred by or on behalf of the Company or any Subsidiary in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby pursuant to agreements entered into by or on behalf of the Company or any of its Subsidiaries at or prior to the Effective Time; (ii) any bonus, severance, change-in-control payments, accelerated commissions, or similar payment obligations (including payments with either "single-trigger" or "double-trigger" provisions (other than "double-trigger" provisions in Contracts Made Available and set forth in the Disclosure Schedule)) of the Company or any Subsidiary to Employees resulting from, or in connection with, the transactions contemplated hereby (in each case, that are adopted by the Company (and not Acquiror or any of its Affiliates) at or prior to the Closing); (iii) any payments in connection with any change in control obligations resulting from or in connection with the Merger or any of the transactions contemplated by this Agreement, or any payment or consideration arising under or in relation to obtaining any consents, waivers or approvals of any party under any Contract of the Company or any Subsidiary as are required in connection with the Merger for any such Contract to remain in full force and effect following the Closing or resulting from agreed-upon modification or early termination of any such Contract, in each case, pursuant to any Contract entered into by the Company or any of its Subsidiaries at or prior to the Closing; (iv) the costs and expenses of the Company D&O Tail Policy to the extent not paid by the Company prior to the Closing Date; and (v) the Required Financials Expenses; *provided, however*, that Third Party Expenses shall exclude (A) Excluded Severance Costs, (B) any fees and expenses of the Exchange Agent and the Escrow Agent, and (C) the Retention Bonus Pool Awards. For the avoidance of doubt, no fees and expenses shall be double counted when calculating Third Party Expenses. The Company shall use its reasonable best efforts to (x) pay or cause to be paid all Third Party Expenses at least three (3) Business Days prior to the Closing and, (y) to the extent such amounts are not so paid, arrange for the payment, contemporaneous with the Closing, by or on behalf of the Company of all Third Party Expenses. Notwithstanding anything to the contrary herein, and for the avoidance of doubt, if the lessor or licensor under any Lease Agreement conditions its grant of a consent (including by threatening to exercise a "recapture" or other termination right) upon, or otherwise requires in response to a notice or consent request regarding this Agreement or the transactions contemplated hereby, the payment of a consent fee, "profit sharing" payment or other consideration (including increased rent payments), or the provision of additional security (including a guaranty), the Company shall be solely responsible for making all such payments or providing all such additional security and the terms thereof shall be subject to Acquiror's approval.

(b) At least two (2) Business Days prior to the Closing, (i) the Company shall provide Acquiror with a statement, in a form satisfactory to Acquiror (acting reasonably), certified by the Chief Executive Officer and Chief Financial Officer of the Company, setting forth all paid and unpaid Third Party Expenses incurred by or on behalf of the Company or any Subsidiary as of the Closing Date, or anticipated to be incurred or payable by or on behalf of the Company or any Subsidiary (or any of their successors) after the Closing (the "Statement of Expenses"), and (ii) the Company shall obtain from each advisor, counsel, accountant, or other professional service provider owed Third Party Expenses, and deliver to Acquiror, a final invoice or other final statement indicating that such amounts reflected thereon are all amounts owed to such Person in respect of Third Party Expenses, in form and substance reasonably acceptable to Acquiror, setting the amounts required to pay off in full on the Closing Date the Third Party Expenses owing to such Person and wire transfer information for such payment, and attaching duly completed and executed copies of any necessary Tax forms, including IRS Form W-9 or the appropriate series of IRS Form W-8, as applicable (each a "Final Invoice"). The Company shall take all necessary action to ensure that Third Party Expenses shall not be incurred by the Surviving Corporation after the Closing Date without the express prior written consent of Acquiror. No Subsidiary shall incur any Third Party Expenses.

7.12 Pre-Closing Actions. Prior to Closing, the Company shall use its reasonable best efforts to perform the actions described on Schedule 7.12 (the "Pre-Closing Actions").

7.13 Access to Information. During the Pre-Closing Period, the Company shall afford Acquiror and its Representatives access to, upon reasonable notice during business hours, (i) all of the Employees, customers, suppliers, assets, properties, Books and Records and Contracts of the Company and its Subsidiaries, and (ii) all other information concerning the business, assets, properties and personnel of the Company and its Subsidiaries as Acquiror may reasonably request. The Company agrees to provide to Acquiror and its accountants, counsel and other Representatives copies of its internal financial statements (including Tax Returns and supporting documentation) promptly upon request. Acquiror shall hold any such information provided by or on behalf of the Company to Acquiror or its representatives in accordance with the provisions of the Non-Disclosure Agreement. Notwithstanding the foregoing, the Company shall not have any obligation to provide Acquiror with any such access or information if providing such access or information would (i) be prohibited under applicable Law or fiduciary duty or (ii) cause the Company to waive any attorney-client or other legal privilege.

7.14 Notification of Certain Matters. During the Pre-Closing Period, the Company shall give prompt notice to Acquiror of: (a) the occurrence or non-occurrence of any event, the occurrence or non-occurrence of which results in the failure of any representation or warranty of the Company contained in this Agreement to be true or accurate at or prior to the Effective Time such that the condition in Section 2.2(b)(ii) cannot be satisfied; *provided, however*, that the failure of the Company to give such notice shall not be deemed to be a breach of a covenant hereunder but instead shall only constitute a breach of the underlying representation or warranty that was the subject of such failure to give such notice, and (b) any failure of the Company to comply with or satisfy in any material respect any covenant or agreement to be complied with or satisfied by it hereunder; *provided, however*, that the delivery of any notice pursuant to this Section 7.14 shall not (i) limit or otherwise affect any remedies available to the party receiving such notice or (ii) constitute an acknowledgment or admission of a breach of this Agreement. No disclosure by or on behalf of the Company pursuant to this Section 7.14 or otherwise of any breach, inaccuracy, failure to be true, or failure to comply (or any waiver thereof) shall affect or be deemed to qualify, limit, waive, modify, amend or supplement any representation, warranty, or covenant contained herein or in the Disclosure Schedule, the conditions to the obligations of the parties to consummate the Merger in accordance with the terms and provisions of this Agreement, or the rights of Acquiror or any Indemnified Party under this Agreement, except to the extent set forth in the Disclosure Schedule or expressly waived pursuant to the terms of this Agreement.

7.15 Closing Date Balance Sheet.

(a) No later than two (2) Business Days prior to the Closing Date, the Company shall deliver to Acquiror a consolidated balance sheet of the Company and its Subsidiaries as of the Closing Date, in a form reasonably acceptable to Acquiror and certified by the Chief Executive Officer and Chief Financial Officer of the Company, that has been prepared in accordance with the Accounting Principles and that fairly presents an estimate by the Company in good faith based on reasonable assumptions of the consolidated balance sheet of the Company as of the Closing Date, after giving effect to the Closing (the "Closing Date Balance Sheet"). The Closing Date Balance Sheet shall also include a good faith calculation, in reasonable detail, of the Closing Net Working Capital Adjustment Amount (the "Estimated Closing Net Working Capital Adjustment Amount") and each of the components and subcomponents thereof. The Company shall not take or fail to take any action with the intention or for the purpose of manipulating the Closing Net Working Capital Adjustment Amount (it being understood that efforts to maximize Closing Net Working Capital in the ordinary course of business consistent with past practice will not be deemed to be manipulative). No later than ten (10) Business Days prior to the Closing Date, the Company shall deliver to Acquiror a preliminary Closing Date Balance Sheet. The Company shall consider in good faith any of Acquiror's reasonable comments to such preliminary Closing Date Balance Sheet and the figures and calculations set forth thereon and provide any additional supporting documentation reasonably requested by Acquiror. The Closing Date Balance Sheet and the Estimated Closing Net Working Capital Adjustment Amount shall take into account any adjustments to the preliminary Closing Date Balance Sheet requested by Acquiror in good faith and not otherwise rejected by the Company in its good faith

determination. Nothing in this Section 7.15, including the fact that Acquiror may provide comments or request changes to the preliminary Closing Date Balance Sheet or any of the figures or calculations set forth thereon or that Acquiror and the Company may agree to changes to the information or amounts on the Closing Date Balance Sheet, shall in any way limit the right of any Person under this Section 7.15 or Article IX.

(b) Within ninety (90) days after the Closing Date, Acquiror shall deliver to the Securityholder Representative a statement (the “Post-Closing Statement”) setting forth Acquiror’s good faith calculation of (i) the Closing Net Working Capital Adjustment Amount and each of the components and subcomponents thereof, and (ii) proposed Closing Net Working Capital Surplus or proposed Closing Net Working Capital Shortfall, as applicable, and each of the components thereof. The Post-Closing Statement and Acquiror’s calculation of the Closing Net Working Capital Adjustment Amount and each of the components thereof shall be determined in accordance with the Accounting Principles.

(c) During the forty-five (45) day period following delivery of the Post-Closing Statement to the Securityholder Representative, Acquiror shall, and shall cause its Representatives to, use commercially reasonable efforts to cooperate with the Securityholder Representative and its Representatives to provide them with information used in preparing the Post-Closing Statement reasonably requested by the Securityholder Representative and its Representatives including, upon reasonable advance notice, reasonable access during normal business hours to relevant personnel and records of Acquiror and the Company. The Post-Closing Statement shall become final and binding at the end of the thirtieth (30th) day following delivery thereof, unless prior to the end of such period, the Securityholder Representative delivers to Acquiror written notice of its disagreement (a “Notice of Disagreement”) specifying the nature and amount of any disputed item. The Securityholder Representative shall be deemed to have agreed with all items and amounts in the Post-Closing Statement not specifically referenced in the Notice of Disagreement, and such items and amounts shall not be subject to review under Section 7.15(e).

(d) During the fifteen (15) day period following delivery of a Notice of Disagreement by the Securityholder Representative to Acquiror, the parties shall seek in good faith to resolve in writing any differences that they may have with respect to the matters specified therein. During such fifteen (15) day period, the Securityholder Representative and the Company Securityholders shall, and shall cause their Representatives to, cooperate with Acquiror and its Representatives to provide them with information used in the preparation of such Notice of Disagreement reasonably requested by Acquiror or its Representatives including, upon reasonable advance notice, reasonable access during normal business hours to relevant personnel and records of the Securityholder Representative and its Representatives. Any disputed items resolved in writing between the Securityholder Representative and Acquiror within such fifteen (15) day period shall be final and binding with respect to such items, and if the Securityholder Representative and Acquiror agree in writing on the resolution of each disputed item specified in the Notice of Disagreement, the amount so determined shall be final and binding on the parties for all purposes hereunder.

(e) If the Securityholder Representative and Acquiror have not resolved all such differences by the end of such fifteen (15) day period (or such later period if extended in a writing signed by the Securityholder Representative and Acquiror) (the “Resolution Deadline”), the Securityholder Representative and Acquiror shall submit, in writing, to a nationally recognized public accounting firm agreed upon in writing by the Securityholder Representative and Acquiror (each acting reasonably) (the “Accounting Firm”) their briefs detailing their views as to the correct nature and amount of each item remaining in dispute, and the Accounting Firm shall make a written determination as to each such disputed item and the amount so disputed (in each case, if and to the extent disputed), which determination shall be final and binding on the parties for all purposes hereunder. The Accounting Firm’s determination of the Closing Net Working Capital Adjustment Amount, and each of the components thereof, shall be determined in accordance with the Accounting Principles. The Accounting Firm shall be authorized to resolve only those items remaining in dispute between the parties in

accordance with the provisions of this Section 7.15(e), which resolution shall be either the amount of such disputed item as proposed by Acquiror in the Post-Closing Statement or the amount of such disputed item as proposed by the Securityholder Representative in the Notice of Disagreement. The determination of the Accounting Firm shall be accompanied by a certificate of the Accounting Firm that it reached such determination in accordance with the provisions of this Section 7.15(e). The Securityholder Representative and Acquiror shall use their commercially reasonable efforts to cause the Accounting Firm to render a written decision resolving the matters submitted to it within thirty (30) days following the submission thereof. Judgment may be entered upon the written determination of the Accounting Firm in any competent court. Notwithstanding anything to the contrary in this Agreement, the costs of any dispute resolution pursuant to this subsection, including the fees and expenses of the Accounting Firm and of any enforcement of the determination thereof, shall be borne by Acquiror and the Securityholder Representative (on behalf of the Securityholders) in inverse proportion as they may prevail on the matters resolved by the Accounting Firm, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar values of the amounts in dispute and shall be determined by the Accounting Firm at the time the determination of such firm is rendered on the merits of the matters submitted. The fees and disbursements of the Representatives of each party incurred in connection with their preparation or review of the Post-Closing Statement and preparation or review of any Notice of Disagreement, as applicable, shall be borne by such party.

(f) For purposes of this Agreement, “Final Closing Net Working Capital Adjustment Amount” means the Closing Net Working Capital Adjustment Amount, as finally determined in accordance with this Section 7.15. The parties agree that:

(i) If the Final Closing Net Working Capital Adjustment Amount is less than the Estimated Closing Net Working Capital Adjustment Amount set forth in the Payment Spreadsheet and used to calculate the Total Closing Consideration (the amount (if any) by which Final Closing Net Working Capital Adjustment Amount is less than the Estimated Closing Net Working Capital Adjustment Amount set forth in the Payment Spreadsheet and used to calculate the Total Closing Consideration, the “Closing Net Working Capital Shortfall”), then Acquiror shall recover the Closing Net Working Capital Shortfall from the Indemnity Escrow Shares then-remaining in the Indemnity Escrow Fund, which shall be Acquiror’s sole recourse in case of any Closing Net Working Capital Shortfall. Promptly after the final determination of the Final Closing Net Working Capital Adjustment Amount, Acquiror and the Securityholder Representative shall deliver a joint written instruction to the Escrow Agent to release to Acquiror that number of Indemnity Escrow Shares contemplated by this Section 7.15(f)(i), rounded down to the nearest whole number of shares (with each Indemnity Escrow Share being valued at the Acquiror Share Price).

(ii) If the Final Closing Net Working Capital Adjustment Amount is greater than the Estimated Closing Net Working Capital Adjustment Amount set forth in the Payment Spreadsheet and used to calculate the Total Closing Consideration (the amount (if any) by which Final Closing Net Working Capital Adjustment Amount is greater than the Estimated Closing Net Working Capital Adjustment Amount set forth in the Payment Spreadsheet and used to calculate the Total Closing Consideration, the “Closing Net Working Capital Surplus”), then Acquiror shall issue to the Indemnifying Parties that number of Acquiror Ordinary Shares equal to the quotient obtained by *dividing* (A) the Closing Net Working Capital Surplus, *by* (B) the Acquiror Share Price, rounded down to the nearest whole number of shares, with each Indemnifying Party to receive that number of shares contemplated by Section 1.3.

(iii) If the Final Closing Net Working Capital Adjustment Amount is equal to the Estimated Closing Net Working Capital Adjustment Amount set forth in the Payment Spreadsheet and used to calculate the Total Closing Consideration at the Closing, then there shall be no adjustments or further obligations under this Section 7.15.

(iv) Notwithstanding anything to the contrary in this Section 7.15, neither this Section 7.15 nor any final determination of the Final Closing Net Working Capital Adjustment Amount in accordance with this Section 7.15 shall limit any claim of an Indemnified Party for any Fraud.

7.16 Director and Officer Insurance and Indemnity.

(a) Prior to the Closing, the Company shall obtain at its expense a fully prepaid “tail” directors’ and officers’ liability insurance policy, which (i) has an effective term of six (6) years from the Effective Time, and (ii) contains coverage terms comparable to or better than those applicable to the current directors and officers of the Company and its Subsidiaries (the “Company D&O Tail Policy”). The Surviving Corporation (following the Effective Time), and Acquiror shall not cancel (or permit to be cancelled) the Company D&O Tail Policy during its term.

(b) Subject to Section 9.2(b), if the Merger is consummated, until the sixth (6th) anniversary of the Closing Date, the Surviving Corporation shall fulfill and honor in all respects (i) the obligations of the Company to its directors and officers as of immediately prior to the Effective Time (the “Company Indemnified Parties”) pursuant to any indemnification agreements between the Company and such Company Indemnified Parties existing as of the Agreement Date that are Made Available and set forth in the Disclosure Schedule with respect to claims arising out of matters occurring at or prior to the Effective Time, and (ii) the certificates of incorporation and bylaws (and other similar organizational documents) of the Surviving Corporation to contain provisions with respect to indemnification, exculpation and the advancement of expenses that are at least as favorable as the indemnification, exculpation and advancement of expenses provisions contained in the Restated Certificate of Incorporation and Restated Bylaws, and during such six-year period, such provisions shall not be repealed, amended or otherwise modified in any manner except as otherwise contemplated by this Agreement or required by applicable Law. Any claims for indemnification made under such indemnification agreements or the certificate of incorporation or bylaws of the Surviving Corporation on or prior to the sixth (6th) anniversary of the Effective Time shall survive such anniversary until the final resolution thereof.

(c) For the avoidance of doubt, and notwithstanding anything herein to the contrary, but subject to Section 1.5(b) hereof, Acquiror shall be under no obligation to maintain the existence of the Surviving Corporation for any specified period following the Effective Time; *provided* that, if the Surviving Corporation or any of its successors or assigns shall consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger then, and in each such case, proper provisions shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations of the Surviving Corporation set forth in this Section 7.16.

7.17 Non-Reliance.

(b) Notwithstanding any other provision in this Agreement, including Section 7.17(a) and Sections 9.2(a)(vii) or 9.2(a)(viii), the Indemnified Parties shall have no claim or right to recovery pursuant to Article IX or otherwise (including with respect to any claim for Fraud), and none of the Indemnifying Parties or any other person shall have or be subject to any liability to the Indemnified Parties or any other person, with respect to (i) any information, documents or materials furnished, delivered or made available by the Company or its

Affiliates, officers, directors, employees, agents or advisors to Acquiror or Merger Sub prior to April 3, 2019; (ii) any projections, forecasts, estimates, plans or budgets of future revenue, expenses or expenditures, future results of operations (or any component thereof), future cash flows (or any component thereof) or future financial condition (or any component thereof), sales pipeline data, product roadmaps or development plans, hiring plans of the Company or the future business, operations or affairs of the Company heretofore or hereafter delivered to or made available to Acquiror, Merger Sub or their respective representatives or Affiliates, including those set forth in management presentations.

(b) As promptly as reasonably practicable, and in any event within thirty (30) days, following the end of each calendar quarter ending on or after December 31, 2018, the Company shall prepare and deliver to Acquiror an unaudited consolidated balance sheet of the Company and its Subsidiaries as of the last date of each such calendar quarter, and an unaudited statement of stockholders’ equity, operations and cash flow for such calendar quarter, as well as an unaudited consolidated balance sheet of the Company and a statement of stockholders’ equity, operations and cash flow for the corresponding periods (the “Unaudited Interim Financial Statements”, and together with the Required Audited Financial Statements, the “Required Financial Statements”), which Unaudited Interim Financial Statements shall be in accordance with PCAOB Standards AS 4105, and the applicable rules and regulations promulgated by the SEC for interim financial information, including Regulation S-X and Rule 3-05 thereunder, and prepared in accordance with GAAP and the Preparation Guidelines, applied on a consistent basis throughout the periods indicated. The Company shall take such actions to cause the Required Financial Statements to be delivered to Acquiror as promptly as reasonably practicable such that Acquiror will be able to file the Required Financial Statements with the SEC no later than the date that is seventy (70) days after the Closing Date.

(b) No Indemnifying Party (including any officer or director of the Company or any of its Subsidiaries) shall have any right of contribution, indemnification or right of advancement from Acquiror or any of its Affiliates (including the Surviving Corporation) with respect to any Loss due and payable by such Indemnifying Party under this Article IX in his, her, or its capacity as an Indemnifying Party.

(c) Any payments made to an Indemnified Party pursuant to any indemnification obligations under this Article IX will be treated as adjustments to the Total Consideration for Tax purposes and such agreed treatment will govern for purposes of this Agreement, unless otherwise required by Laws.

(d) Subject to Section 8.3, this Article IX shall be the sole and exclusive remedy of the Indemnified Parties against the Indemnifying Parties from and after the Effective Time in connection with a claim arising under this Agreement, including claims of any inaccuracy in or breach of any representation, warranty or covenant in this Agreement; *provided, however*, that (i) this Section 9.2(d) shall not be deemed a waiver by any party of any right to specific performance or injunctive relief as contemplated by Section 11.9, and (ii) nothing in this Agreement shall limit the liability of an Indemnifying Party (and this Article IX shall not be the sole and exclusive remedy in respect of such Indemnifying Party) for Fraud committed by such Indemnifying Party or of which Fraud such Indemnifying Party had actual knowledge.

(e) For purposes of this Article IX only, when determining the amount of Losses suffered by an Indemnified Party as a result of any, or whether there occurred any, breach or inaccuracy of a representation or warranty or any failure to perform or comply with any covenant or agreement applicable that is qualified or limited in scope as to materiality or Company Material Adverse Effect or similar qualification, such representation, warranty, covenant or agreement shall be deemed to be made without such qualification or limitation.

(f) In the event an Indemnified Party has suffered a Loss which would give rise to a right to be indemnified under more than one of the subclauses of Section 9.2(a), such Indemnified Party shall be entitled to make a claim for such Losses under any and all such subclauses; *provided* that, for the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, in no event shall any Indemnified Party be entitled to any double recovery with respect to any particular Loss or claim. For the avoidance of doubt, nothing in this Agreement shall require any Indemnified Party to make any claim under this Article IX and, subject to the survival periods set forth in Section 9.1, no such claim shall be waived or otherwise prejudiced as a result of any delay in making such claim.

(g) Subject to the other applicable provisions regarding indemnification contained in this Article IX, if the Indemnifying Parties are obligated to reimburse or compensate the Indemnified Parties for any Losses in connection with a claim by any of the Indemnified Parties under this Article IX, then indemnification for such Losses shall, subject to the applicable limitations, if any, set forth in this Article IX, be satisfied *first* from the Indemnity Escrow Fund, and *second*, to the extent the Indemnity Escrow Fund is insufficient to satisfy such claims, by asserting claims directly against one or more Indemnifying Parties, in each case, subject to the limitations set forth in this Article IX. For purposes of satisfaction of indemnification claims under this Article IX and determining the limitations on liability set forth in this Article IX, the Indemnity Escrow Shares and any other Acquiror Ordinary Shares issued pursuant to this Agreement shall be valued at the Acquiror Share Price.

(h) The rights of the Indemnified Parties to indemnification, compensation, reimbursement, or payment of Losses or any other remedy under this Agreement shall not be affected by any investigation or examination conducted with respect to, or any knowledge possessed or acquired (or capable of being possessed or acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing, by or on behalf of any of the Indemnified Parties or any of their Affiliates or any of their respective Representatives with respect to the accuracy or inaccuracy or breach of, or compliance with, any representation, warranty, certification, covenant, or any other matter. The waiver of any condition in this Agreement based on the accuracy of any such representation or warranty, or on the performance of or compliance with any such covenant or agreement, will not affect the right to indemnification, compensation, reimbursement, or payment of Losses, or any other remedy based on any such representation, warranty, certification, covenant, or agreement. Except in the case of Fraud, no

Indemnified Party shall be required to show reliance on any representation, warranty, certification, or other agreement in order for such Indemnified Party to be entitled to indemnification, compensation, reimbursement, or payment hereunder.

9.3 Limitations on Indemnification.

(a) Subject to Section 9.3(f), the Indemnified Parties, as a group, may not recover any Losses pursuant to a claim under Section 9.2(a)(i), subclause (y) of Sections 9.2(a)(ii), Section 9.2(a)(iii), or Section 9.5(c), (i) unless and until the Indemnified Parties, as a group, shall have paid, incurred, suffered or sustained at least \$1,000,000 in Losses in the aggregate (the “Deductible”), in which case, subject to the other applicable limitations herein, the Indemnified Parties shall be entitled to recover Losses paid, incurred, suffered or sustained by the Indemnified Parties as a group in excess of the Deductible, and (ii) unless such claim or series of related claims exceeds \$100,000 (the “Per Claim Threshold”), in which case, subject to the other applicable limitations herein, the Indemnified Parties shall be entitled to recover all Losses, including the Per Claim Threshold, paid, incurred, suffered or sustained by the Indemnified Parties with respect to such claim or series of related claims. For the avoidance of doubt, the limitations set forth in this Section 9.3(a) shall not apply to claims under subclause (x) of Section 9.2(a)(ii) or clauses (iv) through (ix) of Section 9.2(a), inclusive.

(b) Subject to Section 9.3(f), the Indemnified Parties’ sole and exclusive source of recovery for claims under Section 9.2(a)(i), subclause (y) of Section 9.2(a)(ii), clause (z) of Section 9.2(a)(vi), Section 9.2(a)(viii), and Section 9.5(c) shall be recourse against the Indemnity Escrow Fund. For the avoidance of doubt, the limitations set forth in this Section 9.3(b) shall not apply to claims under subclause (x) of Section 9.2(a)(ii), clauses (iii), (iv), (v), (vii) and (ix) of Section 9.2(a), or clauses (x) or (y) of Section 9.2(a)(vi) and the Indemnified Parties shall, subject to the other applicable limitations herein, be permitted to recover directly from the Indemnifying Parties for claims under subclause (x) of Section 9.2(a)(ii), clauses (iii), (iv), (v), (vii) and (ix) of Section 9.2(a), or clauses (x) or (y) of Section 9.2(a)(vi), in each case, only up to such Indemnifying Party’s Pro Rata Portion of such claim.

(c) Subject to Section 9.3(f), the aggregate liability of each Indemnifying Party for indemnification claims recovered directly from such Indemnifying Party under Section 9.2(a) (excluding, for the avoidance of doubt, claims recovered from the Indemnity Escrow Fund) shall be limited, in the aggregate, to a dollar amount equal to the sum of (i) the value of the Acquiror Ordinary Shares issued or issuable (including any Indemnity Escrow Shares transferred from the Escrow Agent) to such Indemnifying Party (or his, her, or its designee, assignee, transferee, or successor in interest), *plus* (ii) any and all amounts deducted or withheld in respect of Taxes or any Loan Repayment Amount with respect to such Indemnifying Party, *plus* (iii) such Indemnifying Party’s aggregate Per Share Expense Contribution.

(d) The amount of any Loss payable under this Article IX by an Indemnifying Party shall be net of any amounts actually recovered by the Indemnified Party from insurance policies, net of the following: (i) third party costs and expenses (including Taxes) incurred by such Indemnified Party or its Affiliates and its and their respective Representatives in procuring such recovery; (ii) any increases in premiums or premium adjustments to the extent attributable to such recovery (applicable to any past, present or future premiums); and (iii) deductibles and other amounts incurred in connection with such recovery; *provided, however* that, other than with respect to the Company D&O Tail Policy, the Indemnified Parties shall have no obligation to seek recovery under any insurance policies or to maintain any insurance policies for any period of time.

(e) The Indemnified Parties shall, to the extent required by applicable Law, use commercially reasonable efforts to mitigate Losses indemnifiable under this Article IX; *provided, however*, that, notwithstanding the foregoing or anything else herein to the contrary, other than with respect to the Company D&O Tail Policy, in no event shall any of the Indemnified Parties be required to assert any claim or otherwise

seek recourse any against any current or former insurers, insurance policies, customers, suppliers, resellers, vendors, partners, commercial counterparties, or other Representatives of any of the Indemnified Parties or their respective Affiliates.

(f) Notwithstanding anything herein to the contrary, nothing in this Agreement shall limit (i) the liability of an Indemnifying Party for Fraud committed by such Indemnifying Party or of which Fraud such Indemnifying Party had actual knowledge, or (ii) the right of Acquiror or any other Indemnified Party to pursue remedies under any Related Agreement against the parties thereto. Notwithstanding anything herein to the contrary, but subject to Section 8.3, if the Merger is not consummated, nothing in this Article IX shall limit the liability of any party hereto for any breach of any representation, warranty, covenant or agreement contained in this Agreement, any Related Agreement (against the parties thereto) or any certificates or other instruments executed and delivered by any party in connection with the transactions contemplated by this Agreement.

9.4 Claim Procedures.

(a) Subject to the limitations set forth in Section 9.3, if an Indemnified Party wishes to make a claim under this Article IX, such Indemnified Party shall deliver a written notice (a "Claim Notice") to the Securityholder Representative (i) stating that an Indemnified Party has paid, incurred, suffered or sustained, or reasonably anticipates that it may pay, incur, suffer or sustain Losses, and (ii) to the extent reasonably available, specifying such Losses in reasonable detail, the date that each such Loss was paid, incurred, suffered or sustained, or the basis for such anticipated Losses, and, if applicable, the nature of the misrepresentation, breach of warranty or covenant or other indemnifiable matter. Acquiror may update a Claim Notice from time to time to reflect any change in circumstances following the date thereof. A failure by an Indemnified Party to give complete, accurate, or, subject to the survival periods set forth in Section 9.1, timely notice of a Claim Notice will not affect the rights or obligations of any party hereunder. If a claim under this Article IX may be brought under different or multiple sections, clauses or sub-clauses of Section 9.2(a) (or with respect to different or multiple representations, warrants or covenants), then the Indemnified Parties shall have the right to bring such claim under any or each such section, clause, subclauses, representation, warranty or covenant (each a "Subject Provision") that it chooses and the Indemnified Parties will not be precluded from seeking indemnification under any Subject Provision by virtue of the Indemnified Parties not being entitled to seek indemnification under any other Subject Provision.

(b) If the Securityholder Representative on behalf of the Indemnifying Parties shall not object in writing within thirty (30) days of delivery of a Claim Notice by delivery of a written notice of objection containing a reasonably detailed description of the facts and circumstances supporting an objection to the applicable claim (a "Claim Objection Notice"), such failure to so object shall be an irrevocable acknowledgment by the Securityholder Representative on behalf of the Indemnifying Parties that the Indemnified Party is entitled to the full amount of the claim for Losses set forth in such Claim Notice (an "Unobjected Claim"). In such event, Acquiror and the Securityholder Representative shall, as promptly as practicable thereafter (and in any event within two (2) Business Days thereafter), deliver a joint written instruction to the Escrow Agent to release to Acquiror from the Indemnity Escrow Fund that number of Indemnity Escrow Shares having an aggregate value equal to the amount of Losses set forth in the Unobjected Claim. Should the Indemnity Escrow Shares then-remaining in the Indemnity Escrow Fund, if any, be insufficient to satisfy in whole the full amount of Losses set forth in the Unobjected Claim, then, subject to any applicable limitations set forth in this Article IX, each Indemnifying Party shall, within ten (10) Business Days following the date of such failure to so object, pay to Acquiror in cash such Indemnifying Party's Pro Rata Portion of such shortfall.

(c) In the event that the Securityholder Representative shall deliver a Claim Objection Notice in accordance with Section 9.4(b), the Securityholder Representative and Acquiror shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims. If the Securityholder

Representative and Acquiror should so agree, a memorandum setting forth such agreement shall be prepared and signed by both parties (a “Resolution Memorandum”). In such event, Acquiror and the Securityholder Representative shall, as promptly as practicable thereafter (and in any event within two (2) Business Days thereafter), deliver a joint written instruction to the Escrow Agent to release to Acquiror from the Indemnity Escrow Fund that number of Indemnity Escrow Shares having an aggregate value equal to the amount of Losses set forth in the Resolution Memorandum. Should the Indemnity Escrow Shares then-remaining in the Indemnity Escrow Fund, if any, be insufficient to satisfy in whole the full amount of Losses set forth in the Resolution Memorandum, then, subject to any applicable limitations set forth in this Article IX, each Indemnifying Party shall, within ten (10) Business Days following the date of such Resolution Memorandum, pay to Acquiror in cash such Indemnifying Party’s Pro Rata Portion of such shortfall.

9.5 Third Party Claims.

(a) In the event that Acquiror becomes aware of third-party written claim against an Indemnified Party that constitutes a matter for which either (i) an Indemnified Party is entitled to indemnification, compensation, or reimbursement under Section 9.2(a) or (ii) if determined adversely to Acquiror or any other Indemnified Party, would provide a basis for a claim under any of the matters indemnifiable under Section 9.2(a) (each, a “Third Party Claim”), Acquiror shall provide the Securityholder Representative notice of such Third Party Claim and Acquiror shall have the right in its sole discretion to conduct the defense and prosecution of and to settle or resolve any such Third Party Claim; *provided, however*, that a failure by Acquiror to give, or a delay in giving, such notice will not affect the liability of the Indemnifying Parties hereunder, except to the extent and only to the extent the Securityholder Representative demonstrates that the defense or prosecution of such Third Party Claim is materially prejudiced thereby. The Securityholder Representative shall have the right to receive copies of all pleadings, material written notices, and material written communications with respect to any Third Party Claim to the extent that receipt of such documents does not affect any privilege of or relating to any Indemnified Party, subject to the execution by the Securityholder Representative of Acquiror’s (and, if required, such third party’s) standard non-disclosure agreement, and shall be entitled, at the expense of the Securityholder Representative (on behalf of Indemnifying Parties), to participate in, but not to determine or conduct, any defense or prosecution of the Third Party Claim or settlement negotiations with respect to the Third Party Claim.

(b) Except with the consent of the Securityholder Representative, which shall not be unreasonably withheld, conditioned, or delayed, and which shall be deemed to have been given unless the Securityholder Representative shall have objected in writing within ten (10) Business Days after a written request for such consent by Acquiror, the amount paid in the settlement or resolution of any such Third Party Claim to the third-party claimant shall not be determinative of the amount of Losses relating to such matter or whether such Losses are indemnifiable under this Article IX. In the event that the Securityholder Representative has consented to (or shall have been deemed to have consented to) any such settlement or resolution: (i) neither the Securityholder Representative nor the Indemnifying Parties shall have any power or authority to object under any provision of this Article IX to the amount of any claim by or on behalf of any Indemnified Party against the Indemnity Escrow Fund or directly against such Indemnifying Parties for indemnity with respect to such settlement or resolution, subject to the limitations in this Article IX; (ii) Acquiror and the Securityholder Representative shall, as promptly as practicable thereafter (and in any event within two (2) Business Days thereafter), deliver a joint written instruction to the Escrow Agent to release to Acquiror from the Indemnity Escrow Fund that number of Indemnity Escrow Shares having an aggregate value equal to the amount of Losses set forth in such settlement or resolution; and (iii) should the Indemnity Escrow Shares then-remaining in the Indemnity Escrow Fund, if any, be insufficient to satisfy in whole the full amount set forth in such settlement or resolution, then, subject to any applicable limitations set forth in this Article IX, each Indemnifying Party shall, within fifteen (15) Business Days following the date of such consent or deemed consent, pay to Acquiror in cash such Indemnifying Party’s Pro Rata Portion of such shortfall.

(c) Without limiting any other provision in this Agreement or any right of recovery under Section 9.2(a), from and after and by virtue of the Merger, the Indemnifying Parties agree, severally and not jointly to indemnify and hold harmless the Indemnified Parties from and against all reasonable and documented costs and expenses, including attorneys', consultants', experts' and other professionals' fees and expenses (including in connection with investigation, defending against, and prosecuting) and court or arbitration costs paid, incurred, suffered or sustained by the Indemnified Parties, or any of them directly or indirectly resulting from, arising out of, or relating to any Third Party Claim. For the avoidance of doubt, this Section 9.5(c) does not provide any indemnification for any amounts owing pursuant to a settlement of any Third Party Claim to which the Securityholder Representative does not consent (including deemed consent).

9.6 Distribution of the Indemnity Escrow Fund. On or prior to the date that is five (5) Business Days after the Expiration Date, Acquiror and the Securityholder Representative shall deliver to the Escrow Agent a joint written instruction to release from the Indemnity Escrow Fund that number of Indemnity Escrow Shares equal to (a) the Indemnity Escrow Shares then-remaining in the Indemnity Escrow Fund, *less* (b) the number of Indemnity Escrow Shares that would reasonably be required to satisfy Indemnifying Parties' indemnification obligations under Section 9.2(a) for pending claims specified in Claim Notices delivered prior to the end of the Expiration Date that have not been resolved prior to the Expiration Date (the number of Indemnity Escrow Shares to be released, the "Initial Indemnity Escrow Release Shares", it being understood that, if the foregoing calculation of "Initial Indemnity Escrow Release Shares" results in a negative number, then "Initial Indemnity Escrow Release Shares" means zero (0) Indemnity Escrow Shares), and transfer to the Indemnifying Parties the Initial Indemnity Escrow Release Shares in accordance with their respective Escrow Pro Rata Portion. Upon the resolution of any pending claims for which Indemnity Escrow was withheld and retained in the Indemnity Escrow Fund, and after any distributions from the Indemnity Escrow Fund to the Indemnified Parties in accordance with this Article IX with respect to such claims, Acquiror and the Securityholder Representative shall deliver to the Escrow Agent a joint written instruction to release from the Indemnity Escrow Fund, the remaining Indemnity Escrow Shares that were withheld with respect to such resolved claim (each such shares so released the "Subsequent Indemnity Escrow Release Shares"), and transfer to the Indemnifying Parties the Subsequent Indemnity Escrow Release Shares in accordance with their respective Escrow Pro Rata Portion. Upon the resolution of all pending claims for which Indemnity Escrow was withheld and retained in the Indemnity Escrow Fund, and after any distributions from the Indemnity Escrow Fund to the Indemnified Parties in accordance with this Article IX, Acquiror and the Securityholder Representative shall deliver to the Escrow Agent a joint written instruction to release from the Indemnity Escrow Fund all then-remaining Indemnity Escrow Shares in the Indemnity Escrow Fund (the "Final Indemnity Escrow Release Shares"), and transfer to the Indemnifying Parties the Final Indemnity Escrow Release Shares in accordance with their respective Escrow Pro Rata Portion. Notwithstanding anything herein to the contrary, the aggregate number of Indemnity Escrow Shares to be transferred to any Indemnifying Party at any particular time in accordance with this Section 9.6 shall be rounded down to the nearest whole number of shares and, to the extent there are any Indemnity Escrow Shares remaining as a result of such rounding, such remaining shares shall be transferred to Acquiror for no consideration and the Indemnifying Parties shall have no right or interest in or to such shares.

ARTICLE X SECURITYHOLDER REPRESENTATIVE

10.1 Appointment and Authority of Securityholder Representative. By virtue of the execution and delivery of a Joinder Agreement, the adoption of this Agreement and approval of the Merger by the Stockholders, or the conversion of the Company Securities into the right to receive the Merger Consideration, and participating in the Merger and receiving the benefits thereof, each of the Securityholders shall be deemed to have agreed, and hereby agree, to appoint Shareholder Representative Services LLC as her, his, or its lawful and exclusive representative, agent, proxy, and attorney-in-fact (with full power of substitution) for and on behalf of each of the

Securityholders for all purposes in connection with this Agreement and the agreements ancillary hereto, including (a) to give and receive notices and communications in respect of all Relevant Matters, including any claim for indemnification pursuant to this Agreement by any Indemnified Party hereunder against any Indemnifying Party or by any such Indemnifying Party against any Indemnified Party or any dispute between any Indemnified Party and any such Indemnifying Party, in each case under or relating to this Agreement or the transactions contemplated hereby, (b) to authorize or object to any claims hereunder, including those by any Indemnified Party, (c) to agree to, negotiate, enter into settlements and compromises of, and demand arbitration and comply with orders of courts and awards of arbitrators with respect to any Relevant Matter, including any claim for indemnification pursuant to this Agreement by any Indemnified Party hereunder against any Indemnifying Party or by any such Indemnifying Party against any Indemnified Party or any dispute between any Indemnified Party and any such Indemnifying Party, in each case under or relating to this Agreement or the transactions contemplated hereby, (d) consent or agree to any amendment to this Agreement at any time, (e) grant any extension or waiver under or in connection with this Agreement, and (f) and to take all other actions that are either (i) necessary or appropriate in the judgment of the Securityholder Representative for the accomplishment of the foregoing or in connection with this Agreement, the Escrow Agreement or the Securityholder Representative Engagement Agreement, or (ii) specifically mandated, permitted, or contemplated by the terms of this Agreement. Notwithstanding the foregoing, the Securityholder Representative shall have no obligation to act on behalf of the Indemnifying Parties, except as expressly provided herein, in the Escrow Agreement, or in the Securityholder Representative Engagement Agreement. The powers, immunities and rights to indemnification granted to the Securityholder Representative Group hereunder: (i) are coupled with an interest and shall be irrevocable and survive the death, incompetence, bankruptcy or liquidation of any Indemnifying Party and shall be binding on any successor thereto, and (ii) shall survive the delivery of an assignment by any Indemnifying Party of the whole or any fraction of his, her or its interest in the Indemnity Escrow Fund. The Securityholder Representative may resign at any time. Such agency may be changed by the Indemnifying Parties from time to time upon not less than thirty (30) days prior written notice to Acquiror; *provided, however*, that the Securityholder Representative may not be removed without the agreement of the Indemnifying Parties having a majority of the aggregate Pro Rata Portion to such removal and to the identity of the substituted agent. Notwithstanding the foregoing, a vacancy in the position of Securityholder Representative may be filled by Indemnifying Parties having a majority of the aggregate Pro Rata Portion. No bond shall be required of the Securityholder Representative. Notices or communications to or from the Securityholder Representative shall constitute notice to or from the Indemnifying Parties.

10.2 Exculpation and Indemnification of Securityholder Representative. Certain Indemnifying Parties have entered, or will enter, into an engagement agreement (the "Securityholder Representative Engagement Agreement") with the Securityholder Representative to provide direction to the Securityholder Representative in connection with its services under this Agreement, the Escrow Agreement, and the Securityholder Representative Engagement Agreement (such Indemnifying Parties, including their individual representatives, collectively hereinafter referred to as the "Advisory Group"). The Securityholders agree that neither the Securityholder Representative nor its members, managers, directors, officers, contractors, agents and employees nor any member of the Advisory Group (collectively, the "Securityholder Representative Group") shall incur any liability of any kind with respect to any action or omission by the Securityholder Representative in connection with the Securityholder Representative's services pursuant to this Agreement and any agreements ancillary hereto, except in the event of liability directly resulting from the Securityholder Representative's fraud, gross negligence or willful misconduct. The Indemnifying Parties shall indemnify and defend the Securityholder Representative and hold the Securityholder Representative harmless from and against any and all losses, liabilities, damages, claims, penalties, fines, forfeitures, actions, fees, costs and expenses (including the fees and expenses of counsel and experts and their staffs and all expense of document location, duplication and shipment and costs incurred in connection with seeking recovery from insurers) (collectively, "Securityholder Representative Expenses") arising out of or in connection with the Securityholder Representative's execution and performance of this Agreement and any agreements ancillary hereto, in each case as such Securityholder Representative Expense is suffered or

incurred; *provided* that in the event that any such Securityholder Representative Expense is finally adjudicated to have been directly caused by the fraud, gross negligence or willful misconduct of the Securityholder Representative, the Securityholder Representative will reimburse the Indemnifying Parties the amount of such indemnified Securityholder Representative Expense to the extent attributable to such fraud, gross negligence or willful misconduct. If not paid directly to the Securityholder Representative Group by the Indemnifying Parties, any such Securityholder Representative Expenses may be recovered by the Securityholder Representative from (i) the funds in the Expense Fund and (ii) the Indemnity Escrow Fund at such time as remaining amounts would otherwise be distributable to the Indemnifying Parties; provided, that while this section allows the Securityholder Representative Group to be paid from the aforementioned sources of funds, this does not relieve the Indemnifying Parties from their obligation to promptly pay such Securityholder Representative Expenses as they are suffered or incurred, nor does it prevent the Securityholder Representative Group from seeking any remedies available to it at law or otherwise. In no event will the Securityholder Representative be required to advance its own funds on behalf of the Indemnifying Parties or otherwise. Furthermore, the Securityholders agree that the Securityholder Representative shall not be required to take any action unless the Securityholder Representative has been provided with funds, security or indemnities which, in its determination, are sufficient to protect the Securityholder Representative against the costs, expenses and liabilities which may be incurred by the Securityholder Representative in performing such actions. Notwithstanding anything in this Agreement to the contrary, any restrictions or limitations on liability or indemnification obligations of, or provisions limiting the recourse against non-parties otherwise applicable to, the Indemnifying Parties set forth elsewhere in this Agreement are not intended to be applicable to the indemnities provided to the Securityholder Representative under this section. The foregoing indemnities will survive the Closing, the resignation or removal of the Securityholder Representative or any member of the Advisory Group and the Closing or the termination of this Agreement or the Escrow Agreement. A decision, act, consent or instruction of the Securityholder Representative, including an amendment, extension or waiver of this Agreement pursuant to Section 11.5 or Section 11.6, shall constitute a decision of the Securityholders and shall be final, conclusive and binding upon the Securityholders and each such Securityholder's successors as if expressly confirmed and ratified in writing by such Securityholder, and all defenses which may be available to any Securityholder to contest, negate or disaffirm the action of the Securityholder Representative taken in good faith under this Agreement, the Escrow Agreement or the Securityholder Representative Engagement Agreement are waived. Acquiror and the other Indemnified Parties may rely upon any such decision, act, consent or instruction of the Securityholder Representative as being the decision, act, consent or instruction of the Securityholders. Acquiror and the other Indemnified Parties are hereby relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Securityholder Representative. The Securityholders agree that the Securityholder Representative shall be entitled to: (i) rely upon the Payment Spreadsheet; (ii) rely upon any signature believed by it to be genuine; and (iii) reasonably assume that a signatory has proper authorization to sign on behalf of the applicable Indemnifying Party or other party.

This SUPPORT AGREEMENT (this "Agreement"), dated as of [], 2019, is by and between Elastic N.V., a Dutch public limited company (*naamloze vennootschap*) ("Acquiror") and [Stockholder Name] (the "Stockholder").

WHEREAS, the Stockholder is, as of the date hereof, the record or beneficial owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which meaning will apply for all purposes of this Agreement) of the number of shares of capital stock (the "Company Shares") of Endgame, Inc., a Delaware corporation (the "Company"), set forth opposite the name of the Stockholder on Schedule I hereto;

WHEREAS, Acquiror, Avengers Acquisition Corp., a Delaware corporation and direct wholly-owned subsidiary of Acquiror ("Merger Sub"), the Company, and Shareholder Representative Services LLC, solely in its capacity as the representative, agent and attorney-in-fact of the Securityholders are parties to that certain Agreement and Plan of Reorganization, dated as of June 4, 2019 (as may be amended, restated or modified from time to time, the "Merger Agreement"), pursuant to which, subject to the terms and conditions thereof, Merger Sub will merge with and into the Company (the "Merger"), whereupon the separate corporate existence of Merger Sub shall cease and the Company shall continue as the surviving corporation of the Merger as an indirect wholly-owned subsidiary of Acquiror (the "Surviving Corporation"); and

WHEREAS, as a condition to the willingness of Acquiror to enter into the Merger Agreement and as an inducement and in consideration therefor, the Stockholder (solely in the Stockholder's capacity as a holder of the Subject Shares (as defined below)) has agreed to enter into this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements set forth herein and in the Merger Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

SECTION 1. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to Acquiror as follows:

(a) The Stockholder (i) is the record or beneficial owner of the Company Shares (together with any Company Shares which such Stockholder may acquire of record or as a beneficial owner at any time in the future during the term of this Agreement, the "Subject Shares") set forth opposite such Stockholder's name on Schedule I to this Agreement and (ii) except as set forth in Schedule I to this Agreement, does not hold or have any beneficial ownership interest in any other Company Shares or any restricted stock, option (including any granted pursuant to the Plan), or warrant to acquire Company Shares or other right or security convertible into or exercisable or exchangeable for Company Shares.

(b) The Subject Shares are not subject to any Liens or to any rights of first refusal, rights of first offer, call option rights, or redemption rights, or any other similar rights, and the Stockholder has not granted to any third party any such rights with respect to any such Subject Shares. All information set forth in Schedule I to this Agreement is accurate, correct and complete.

(c) None of the Subject Shares are subject to any proxies, powers of attorney, voting trust, voting agreement or any similar agreement with respect to the matters set forth in Section 3 hereof which have not been revoked or which will not be revoked in connection with this Agreement.

(d) If the Stockholder is an entity, the Stockholder has all requisite power and authority to or, if the Stockholder is an individual, has the legal capacity to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Stockholder and the consummation by the Stockholder of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Stockholder and no further action is required on the part of the Stockholder to

authorize this Agreement and the consummation of the transactions contemplated hereby. This Agreement has been validly executed and delivered by the Stockholder and, assuming due authorization, execution and delivery of this Agreement by Acquiror, constitutes the valid and binding obligation of the Stockholder, enforceable against the Stockholder in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors' rights in general.

(e) The execution, delivery and performance by the Stockholder of this Agreement and the consummation of the transactions contemplated hereby will not Conflict with (i) any provision of the charter or similar governing documents of the Stockholder, if the Stockholder is an entity or (ii) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to the Subject Shares owned by Stockholder. No consent, approval, authorization, registration, license or permit from any Governmental Entity is required for the performance by the Stockholder of its obligations hereunder and the consummation of the transaction contemplated hereby, other than as expressly contemplated by the Merger Agreement.

(f) The Stockholder has received a copy of the Merger Agreement and certain other agreements and materials distributed to the Stockholder with respect to the Merger and the other transactions contemplated by the Merger Agreement, and has carefully read and understands the scope and effect of the provisions of this Agreement, the Merger Agreement, and such other agreements and materials contemplated thereby and has discussed the foregoing with the Stockholder's professional advisors (including legal counsel) to the extent the Stockholder has deemed necessary. The Stockholder understands and agrees that (x) except as expressly set forth in this Agreement, none of Acquiror, the Company or any of their Affiliates or their respective Representatives is making any representation or warranty to the Stockholder of any kind, express, implied, or statutory, in connection with the Merger or the other transactions contemplated by the Merger Agreement, and (y) the Stockholder must rely solely on his, her or its advisors (including legal counsel) and must not rely (and is not entitled to rely) on any statements or representations or warranties made by Acquiror, the Company or any of their Affiliates or their respective Representatives. The Stockholder understands that the Stockholder (and not Acquiror, the Company, the Surviving Corporation, or any of their respective Affiliates) shall be responsible for the Stockholder's tax liability that may arise as a result of the Merger or the other transactions contemplated by the Merger Agreement.

SECTION 2. Representations and Warranties of Acquiror. Acquiror represents and warrants to the Stockholder as follows:

(a) Acquiror is a Dutch public limited company (*naamloze vennootschap*) duly organized, validly existing and in good standing under Dutch Law.

(d) The execution and delivery by Acquiror of this Agreement and the consummation of the transactions contemplated hereby, will not Conflict with any Contract to which Acquiror is a party or by which Acquiror's properties or assets are bound. The consummation by Acquiror of the transactions contemplated hereby will not (i) violate any provision of any judgment, order or decree applicable to Acquiror or (ii) require

any consent, approval, or notice under any statute, law, rule or regulation applicable to Acquiror other than (x) as required under the Exchange Act and the rules and regulations promulgated thereunder and (y) where the failure to obtain such consents or approvals or to make such notifications, would not, individually or in the aggregate, prevent or materially delay the performance by Acquiror of any of its obligations under this Agreement.

SECTION 3. Voting Agreement; No Appraisal Claims.

(a) At all times commencing with the execution and delivery of this Agreement, at every meeting of the stockholders of the Company related to the Merger, the Merger Agreement or any of the transactions contemplated thereby called, and at every adjournment, postponement or recess thereof, and on every action or approval by written consent of the stockholders of the Company, in each case, to the extent any of the transactions, actions or proposals contemplated by clauses (a)(i) through (iii) below are or will be considered, Stockholder (in Stockholder's capacity as a stockholder of the Company) shall, or shall cause the holder of record on any applicable record date to, irrevocably vote the Subject Shares:

(i) in favor of the adoption of the Merger Agreement (as it may be amended from time to time) and in favor of each of the transactions contemplated thereby;

(ii) against approval of any proposal made in opposition to, or in competition with, consummation of the transactions contemplated by the Merger Agreement (as it may be amended from time to time); and

(iii) against any of the following actions (other than those actions that relate to the transactions contemplated by the Merger Agreement (as it may be amended from time to time)): (A) any merger, consolidation, business combination, sale of assets, or reorganization of the Company or any of its Subsidiaries; (B) any sale, lease or transfer of any significant part of the assets of the Company or any of its Subsidiaries; (C) any reorganization, recapitalization, dissolution, liquidation or winding up of the Company or any of its Subsidiaries; (D) any material change in the capitalization of the Company or any of its Subsidiaries, or the corporate structure of the Company or any of its Subsidiaries; or (E) any other action that is intended, or could reasonably be expected to, prevent or materially delay the consummation of the transactions contemplated by the Merger Agreement.

(b) At all times commencing with the execution and delivery of this Agreement, in the event that a meeting of the stockholders of the Company is held at which any of the transactions, actions or proposals contemplated by clauses (a)(i) through (iii) above are or will be considered, Stockholder shall, or shall cause the holder of record on any applicable record date to, appear at such meeting or otherwise cause the Subject Shares to be counted as present thereat for purposes of establishing a quorum.

(c) At all times commencing with the execution and delivery of this Agreement, Stockholder shall not enter into any Contract with any Person to vote or give instructions in any manner inconsistent with the terms of this Section 3.

(d) Stockholder shall not exercise any rights (including under the Delaware General Corporation Law) to demand appraisal of any Shares or exercise dissenters' rights with respect to the transactions contemplated by the Merger Agreement.

SECTION 4. Transfer of the Subject Shares; Other Actions.

(a) Except as otherwise provided herein (including pursuant to Section 3 or Section 5), the Stockholder shall not: (i) transfer, assign, sell, gift-over, hedge, pledge or otherwise dispose (whether by sale, liquidation, dissolution, dividend or distribution) of, enter into any derivative arrangement with respect to, create or suffer to exist any Lien on or consent to any of the foregoing ("Transfer"), any or all of the Subject Shares or any right or interest therein; (ii) enter into any Contract with respect to any Transfer; (iii) grant any proxy, power-of-attorney or other authorization or consent with respect to any of the Subject Shares with respect to any matter

that is inconsistent with the transactions contemplated by the Merger Agreement or the provisions of the foregoing: (iv) deposit any of the Subject Shares into a voting trust, or enter into a voting agreement or arrangement with respect to any of the Subject Shares; or (v) knowingly, directly or indirectly, take, or cause the taking of, any other action that would restrict, limit or interfere with the performance of the Stockholder's obligations hereunder, excluding any bankruptcy filing.

(b) Notwithstanding the foregoing, the Stockholder may make (a) (i) Transfers of Subject Shares by will, (ii) Transfers for estate planning or charitable purposes, or (iii) Transfers to Affiliates of the Stockholder or (b) Transfers of Subject Shares as Acquiror may otherwise agree in writing in its sole discretion; *provided*, that a Transfer referred to in clauses (a) and (b) of this sentence shall be permitted only if, as a precondition to such Transfer, the transferee agrees in writing to be bound by all of the terms of this Agreement.

(c) Any Transfer made in violation of this Section 4 shall be deemed null and void.

SECTION 5. Grant of Irrevocable Proxy; Appointment of Proxy.

(a) Without in any way limiting any Stockholder's right to vote the Subject Shares in its sole discretion on any other matters that may be submitted to a stockholder vote, consent or other approval, the Stockholder hereby irrevocably grants to, and appoints, Acquiror and any designee thereof, such Stockholder's proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of such Stockholder, to attend any meeting of the stockholders of the Company on behalf of such Stockholder, to include such Subject Shares in any computation for purposes of establishing a quorum at any meeting of stockholders of the Company, and to vote all Subject Shares, or to grant a consent or approval in respect of the Subject Shares, in connection with any such meeting of the stockholders of the Company or any action by written consent in lieu of a meeting of stockholders of the Company in accordance with Section 3 hereof, in each case, solely in the event that Stockholder fails to vote, consent or include the Subject Shares in accordance with Section 3 hereof.

(b) The Stockholder hereby represents that any proxies heretofore given in respect of the Subject Shares, if any, are revocable, and hereby revokes such proxies granted in connection with the matters set forth in Section 3 hereof.

(c) The Stockholder hereby affirms that the irrevocable proxy set forth in this Section 5 is given in connection with the execution of the Merger Agreement, and that such irrevocable proxy is given to secure the performance of the duties of such Stockholder under this Agreement. The Stockholder hereby further affirms that the irrevocable proxy is coupled with an interest and, except as set forth in this Section 5 or in Section 8 hereof, is intended to be irrevocable in accordance with the provisions of Section 212 of Delaware Law. If during the term of this Agreement for any reason the proxy granted herein is not irrevocable, then such Stockholder agrees that it shall vote its Subject Shares in accordance with Section 5(a) above as instructed by Acquiror in writing. The parties agree that the foregoing shall be a voting agreement created under Section 218 of Delaware Law.

(d) Acquiror hereby acknowledges and agrees that the proxy set forth in this Section 5 shall not be exercised to vote, consent or act on any matter except as specifically contemplated by Section 5(a) and Acquiror agrees not to exercise the proxy granted herein for any purpose other than the purposes described in Section 5(a). The proxy set forth in this Section 5 shall be revoked, terminated and of no further force or effect automatically without further action upon the termination of this Agreement.

SECTION 6. Non-Solicitations. From and after the date of this Agreement, the Stockholder agrees that it shall comply with the terms of Section 6.2 of the Merger Agreement as if he or she were the Company and not permit the Company to violate the terms thereof.

SECTION 7. Further Assurances. Each party shall execute and deliver any additional documents and take such further actions as may be reasonably necessary to carry out all of the provisions hereof, including all of the parties' obligations under this Agreement, including without limitation to vest in Acquiror the power to vote the Subject Shares to the extent contemplated by Section 5 hereof.

SECTION 11. Adjustments. In the event that (a) the number of issued and outstanding Subject Shares or securities convertible or exchangeable into or exercisable for Subject Shares changes as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, issuer tender or exchange offer, or other similar transaction, or (b) the Stockholder shall become the beneficial owner of any additional Company Shares, then the terms of this Agreement shall apply to the Company Shares held by the Stockholder immediately following the effectiveness of the events described in clause (a) or the Stockholder becoming the beneficial owners thereof as described in clause (b), as though, in either case, they were Subject Shares hereunder. SECTION 1. Representations and Warranties of the Shareholder. The Shareholder hereby represents and warrants to Acquiror as follows:

(a) The Shareholder is the record or beneficial owner of a number of Acquiror Shares (together with any Acquiror Shares which such Shareholder may acquire of record or as a beneficial owner) at any time in the future during the term of this Agreement, the “Subject Shares”).

(b) The Subject Shares are not subject to any Liens or to any rights of first refusal, rights of first offer, call option rights or redemption rights, or any other similar rights, and the Shareholder has not granted to any third party any such rights with respect to any such Subject Shares, in each case, other than under Acquiror’s articles of association and other organizational documents, as may be amended, or amended and restated, from time to time, and under applicable securities and corporate Laws, including Dutch Law and U.S. state or federal Law.

(c) None of the Subject Shares are subject to any proxies, powers of attorney, voting trust, voting agreement or any similar agreement.

(d) If the Shareholder is an entity, the Shareholder has all requisite power and authority to or, if the Shareholder is an individual, has the legal capacity to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Shareholder and the consummation by the Shareholder of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Shareholder and no further action is required on the part of the Shareholder to authorize this Agreement and the consummation of the transactions contemplated hereby. This Agreement has been validly executed and delivered by the Shareholder and, assuming due authorization, execution and delivery of this Agreement by Target, constitutes the valid and binding obligation of the Shareholder, enforceable against the Shareholder in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors’ rights in general.

(e) The execution, delivery and performance by the Shareholder of this Agreement and the consummation of the transactions contemplated hereby will not Conflict with (i) any provision of the charter or similar governing documents of the Shareholder, if the Shareholder is an entity, (ii) any Contract to which the Shareholder is a party or by which any of its, his or her properties or assets is subject to or bound, or (iii) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to the Subject Shares owned by the Shareholder. No consent, approval, authorization, registration, license or permit from any Governmental Entity is required for the performance by the Shareholder of its obligations hereunder and the consummation of the transaction contemplated hereby, other than as expressly contemplated by the Merger Agreement.

(f) The Shareholder has received a copy of the Merger Agreement and certain other agreements and materials distributed to the Shareholder with respect to the Merger and the other transactions contemplated by the Merger Agreement, and has carefully read and understands the scope and effect of the provisions of this Agreement, the Merger Agreement, and such other agreements and materials contemplated thereby and has discussed the foregoing with the Shareholder's professional advisors (including legal counsel) to the extent the Shareholder has deemed necessary. The Shareholder has had an opportunity to review with his, her or its own advisors the legal, tax, financial and other consequences of the Merger and the transactions contemplated by this Agreement, the Merger Agreement and such other documents and information as the Shareholder has deemed appropriate to make his, her or its own analysis and decision to enter into this Agreement and any other agreements in connection with the Merger and the other transactions contemplated by the Merger Agreement to which the Shareholder is a party and to approve the Merger.

SECTION 2. Representations and Warranties of Target. Target represents and warrants to the Shareholder as follows:

(a) Target is a Delaware corporation duly organized, validly existing and in good standing under Delaware Law.

(b) Target has all requisite corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby, and has taken all necessary corporate action to authorize the execution, delivery and performance of this Agreement.

(c) This Agreement has been duly executed and delivered by Target and constitutes the valid and binding obligations of Target, enforceable against Target in accordance with its terms, subject to laws of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors' rights in general.

(d) The execution and delivery by Target of this Agreement and the consummation of the transactions contemplated hereby, will not Conflict with any Contract to which Target is a party or by which Target's properties or assets are bound. The consummation by Target of the transactions contemplated hereby will not (i) violate any provision of any judgment, order or decree applicable to Target or (ii) require any consent, approval, or notice under any statute, law, rule or regulation applicable to Target other than (x) as required under the Exchange Act and the rules and regulations promulgated thereunder and (y) where the failure to obtain such consents or approvals or to make such notifications, would not, individually or in the aggregate, prevent or materially delay the performance by Target of any of its obligations under this Agreement.

SECTION 3. Voting Agreement.

(a) At all times commencing with the execution and delivery of this Agreement, at every meeting of the shareholders of Acquiror related to the Merger, the Merger Agreement or any of the transactions contemplated thereby called, and at every adjournment, postponement or recess thereof, and on every action or approval by written consent of the shareholders of Acquiror, in each case, to the extent any of the transactions, actions or proposals contemplated by clauses (a)(i) and (ii) below are or will be considered, Shareholder (solely in Shareholder's capacity as a shareholder of Acquiror) shall, or shall cause the holder of record on any applicable record date to, irrevocably vote the Subject Shares:

(i) in favor of the proposal to approve the resolution of the Acquiror's board that the Acquiror shall enter into the transactions contemplated by the Merger Agreement; and

(ii) against any action that is intended, or could reasonably be expected to, prevent or materially delay the consummation of the transactions contemplated by the Merger Agreement.

(b) At all times commencing with the execution and delivery of this Agreement, in the event that a meeting of the shareholders of Acquiror is held at which any of the transactions, actions or proposals contemplated by clauses (a)(i) through (iii) above are or will be considered, Shareholder shall, or shall cause the holder of record on any applicable record date to, appear at such meeting or otherwise cause the Subject Shares to be counted as present thereat for purposes of establishing a quorum.

(c) At all times commencing with the execution and delivery of this Agreement, Shareholder shall not enter into any Contract with any Person to vote or give instructions in any manner inconsistent with the terms of this Section 3.

SECTION 4. Transfer of the Subject Shares. In the event Shareholder transfers, assigns, or sells ("Transfer") to a controlled Affiliate of Shareholder any or all of the Subject Shares or any right or interest therein, Shareholder shall take action to cause such controlled Affiliate to agree in writing to be bound by all of the terms of this Agreement. For the avoidance of doubt, but subject to and without limiting the covenant set forth in the first sentence of this Section 4, nothing in this Agreement shall restrict the ability of Shareholder to Transfer the Subject Shares to any Person. Upon consummation of such a Transfer, such Transferred Subject Shares shall cease to be deemed Subject Shares.

SECTION 5. Grant of Irrevocable Proxy; Appointment of Proxy.

(a) Without in any way limiting any Shareholder's right to vote the Subject Shares in its sole discretion on any other matters that may be submitted to a stockholder vote, consent or other approval, the Shareholder hereby irrevocably grants to, and appoints, Target and any designee thereof, such Shareholder's proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of such Shareholder, to attend any meeting of the shareholders of Acquiror concerning the Merger Agreement on behalf of such Shareholder, to include such Subject Shares in any computation for purposes of establishing a quorum at any such meeting of shareholders of Acquiror, and to vote all Subject Shares, or to grant a consent or approval in respect of the Subject Shares, in connection with any such meeting of the shareholders of Acquiror or any action by written consent in lieu of a meeting of the shareholders of Acquiror in accordance with Section 3 hereof, in each case, solely in the event that Shareholder fails to vote, consent or include the Subject Shares in accordance with Section 3 hereof.

(b) The Shareholder hereby represents that any proxies heretofore given in respect of the Subject Shares, if any, are revocable, and hereby revokes such proxies.

(c) The Shareholder hereby affirms that the irrevocable proxy set forth in this Section 5 is given in connection with the execution of the Merger Agreement, and that such irrevocable proxy is given to secure the performance of the duties of such Shareholder under this Agreement. The Shareholder hereby further affirms that the irrevocable proxy is coupled with an interest and, except as set forth in this Section 5 or in Section 7 hereof, is intended to be irrevocable in accordance with the provisions of Dutch Law. If during the term of this Agreement for any reason the proxy granted herein is not irrevocable, then such Shareholder agrees that it shall vote its Subject Shares in accordance with Section 5(a) above as instructed by Target in writing. The parties agree that the foregoing shall be a voting agreement created under Dutch Law.

(d) Target hereby acknowledges and agrees that the proxy set forth in this Section 5 shall not be exercised to vote, consent or act on any matter except as specifically contemplated by Section 5(a) and Target agrees not to exercise the proxy granted herein for any purpose other than the purposes described in Section 5(a). The proxy set forth in this Section 5 shall be revoked, terminated and of no further force or effect automatically without further action upon the termination of this Agreement.

SECTION 6. Further Assurances. Each party shall execute and deliver any additional documents and take such further actions as may be reasonably necessary to carry out all of the provisions hereof, including all of the parties' obligations under this Agreement, including without limitation to vest in Target the power to vote the Subject Shares to the extent contemplated by Section 5 hereof.

SECTION 7. Termination.

(a) This Agreement, and all rights and obligations of the parties hereunder, shall terminate immediately upon the earliest to occur of the following:

- (i) the valid termination of the Merger Agreement;
- (ii) the consummation of the Merger; and
- (iii) the mutual written consent of Target and the Shareholder.

(b) Section 8 and Section 11 hereof shall survive the termination of this Agreement.

SECTION 8. Expenses. All fees and expenses incurred in connection this Agreement and the transactions contemplated hereby shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated.

SECTION 9. Public Announcements. The Shareholder shall not, and shall cause its representatives not to, directly or indirectly, make any press release, public announcement or other public communication that criticizes or disparages this Agreement or the Merger Agreement or any of the transactions contemplated hereby and thereby, without the prior written consent of Target.

SECTION 10. Adjustments. In the event that (a) the number of issued and outstanding Subject Shares or securities convertible or exchangeable into or exercisable for Subject Shares changes as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, issuer tender or exchange offer, or other similar transaction, or (b) the Shareholder shall become the beneficial owner of any additional Acquiror Shares, then the terms of this Agreement shall apply to the Acquiror Shares held by the Shareholder immediately following the effectiveness of the events described in clause (a) or the Shareholder becoming the beneficial owners thereof as described in clause (b), as though, in either case, they were Subject Shares hereunder. In the event that the Shareholder shall become the beneficial owner of any other securities entitling the holder thereof to vote or give consent with respect to the matters set forth in Section 5 hereof, then the terms of Section 5 hereof shall apply to such other securities as though they were Subject Shares hereunder.

SECTION 11. Miscellaneous.

(a) Certain Definitions. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Merger Agreement.

(b) Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or by commercial messenger or courier service, or mailed by registered or certified mail (return receipt requested) or sent via email (with acknowledgment of receipt (including automatically generated delivery or read receipts)) to the parties at the following addresses:

Prior to the termination of this Agreement pursuant to Section 7, each party hereby agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (i) the other party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or in equity.

(g) Assignment. This Agreement shall not be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other party. Section 6: EX-99.2 (EX-99.2)

Exhibit 99.2

TITLE: Welcome Endgame: Bringing Endpoint Security to the Elastic Stack

Author: Shay Banon

We are excited to announce that we have entered into an acquisition agreement to join forces with Endgame, Inc. an endpoint security company. We believe that by joining forces, we can bring to market a holistic security product that combines endpoint and SIEM, and is delivered using our unique go-to-market model.

We have known about Endgame and its endpoint product for quite some time. The product embeds Elasticsearch as its main data store for its alerts and investigation workflows, and is considered one of the best endpoint solutions out there today. When we had a chance to meet with the team, we got even more excited by the quality and culture match between the two companies, and how much our product roadmaps were aligned.

Product

Endpoints provides a critical source of security data. As we make our investments in the SIEM market, a big part of it is in our existing Beats agent-based technology. We have been working on expanding to collect additional security-oriented data, including data from hosts, in the Elastic Common Schema (ECS). Endgame's endpoint product would take that to a whole new level. It has built-in, enriched security data collection capabilities. This data is a gem to store in a powerful search engine like Elasticsearch. With Kibana's real-time visualization, security users would gain access to a whole new level of

analysis to help protect their organizations from attacks.

Endpoint prevention, detection, and response (EPP + EDR) is a natural expansion to Elastic's security and agent efforts. On top of raw security data that is the foundation of SIEM, EDR and EPP are critical to any company's security posture. We are excited that we will be able to provide it as part of our product line upon consummation of the transaction.

The Elastic Stack is used for threat hunting by companies across the world, utilizing our unique ability to search across vast amounts of data in the blink of an eye. We believe that the ability to both bring another layer of data, as well as expanded threat hunting to the endpoint directly, is a unique value proposition of the combined products.

Endpoint protection will be a natural feature in our product line. We have been developing agent-based technology in our Beats product for years now, ranging from network packet capture, to logging, to metrics, and to security (audit). Endgame's endpoint agents fit nicely into this paradigm of agents shipping data as part of the Elastic Stack and its architecture. In addition to data collection capabilities, Endgame's agents provides comprehensive protection against modern attacker techniques.

We have also started to see our Beats agents being used more and more beyond just as server-side machines, and being installed on endpoints of many kinds, including workstations. Endgame's endpoint product is purpose-built to run on a variety of endpoints, such as Windows, Mac, Linux, and Solaris devices, and using Beats will form a foundation to ship endpoint data into Elasticsearch.

Endgame has also developed a powerful language in EQL (Event Query Language), that can be executed on the endpoint, with its results stored in Elasticsearch. We are excited to explore this powerful query engine for all types of data in the Elastic Stack, which may be executed either on the endpoint or centrally.

Go to Market

The Elastic Stack has been used for a few years now as a place to collect, store and analyze security-oriented data. It has been adopted by the security community as a SIEM and threat-hunting tool long before we made significant efforts in the space because users see search to be a useful experience across any data. This is also the power of our bottom up, community-based, go-to-market model and how innovation begins from our users.

We have made significant investments in our Elastic Common Schema (ECS) to give users a uniform data modeling framework for any type of data, focused initially on the security space. We have enhanced our Beats technology to ship many types of data, including security-oriented data with Auditbeat, in ECS format. And we have been making investments in our SIEM efforts and going to market with it using our unique model.

We are excited to combine Endgame's endpoint product with our search technology and bring it to market using our unique model that is bottom up, open, community-oriented, and focused on end user success. More so, we are excited for the opportunity to converge the SIEM and endpoint markets to drive a whole new level of collaboration for security teams. After meeting the Endgame team and spending a lot of time with them, we are very much aligned on this go-to-market strategy.

Future

We are announcing our intention to join forces today, but there are conditions to the merger and it will take some months until this transaction closes.

Like the alignment of our go-to-market strategy, our product roadmaps were also well aligned, even before we started our more intimate discussions. Based on existing and potential future customers, and Endgame's recognition that the Elastic Stack has become one of the most popular and useful destinations for security data, the Endgame team was already working with the Elastic Stack on additional integrations. This includes building support to ship raw security events (beyond alerts) from the endpoint and using the Elastic Common Schema (ECS) to format the data. Once the data is shipped to Elasticsearch, security teams and users would be able to instantly visualize the data in Kibana.

The Endgame team has also started to explore exposing Kibana on top of the existing bundled Elasticsearch deployments they have, to provide more dashboard and visualization capabilities on top of their built-in alerts, investigations, and threat hunting capabilities.

And, we have been working to expand our products to have more and more SIEM features, and by conforming to Elastic Common Schema (ECS), Endgame's endpoints will become natively integrated into any existing and future efforts of Elastic in the security space.

For Elastic users and customers, on top of using the Elastic Stack today as a SIEM tool, you will see significant additional value in deploying Endgame's endpoint product. And down the road following completion of the acquisition, you can rely on a much more integrated and native experience in the same way you get from any agent in the Elastic Stack.

For Endgame customers, you will be able to enjoy deploying the Elastic Stack next to Endgame's endpoint product, combining our search technology to extend your threat hunting and SIEM capabilities.

I am humbled to welcome such a talented team from Endgame to Elastic, and I am very excited for what our combined future holds. Here are brief thoughts from Nate and Jamie:

Nate Fick, CEO of Endgame: "We've built an Endpoint security platform that simplifies security so that all organizations can prevent, detect, and respond to attacks. It's been wonderful to see the impact our product is having on the organizations using it, from successfully stopping targeted attacks, reducing time to detect attacks, and cutting operational costs. By joining forces with Elastic, we will be able to take our endpoint platform to another level, integrate with their SIEM efforts, and give users everywhere in the world a complete security solution."

Jamie Butler, CTO of Endgame: "In information security, nothing is more critical to comprehensive protection than access to rich, actionable data in real-time. The combined force of Elastic's powerful search technology and Endgame's award-winning endpoint security offering gives customers unparalleled insight into their data for maximum protection. Both organizations share a commitment to openness, transparency, and user enablement, making this an exciting opportunity for both our employees and for the joint user community. We believe the combination of our solutions will change how the world thinks about data, analytics, and security."
